SOUTHERN ILLINOIS UNIVERSITY
EDWARDSVILLE

Curricular Practical Training (CPT) is defined as employment that is an integral part of an established curriculum in the student's course of study. To participate in CPT employment, students must be enrolled in a credit-bearing course with a formal work component. The course can be required for graduation or an elective counting towards degree completion. Types of CPT work authorization can be internship, cooperative education or any other employment that is related to the student's degree program.
