Office: Founders 1110 Office: Founders 1110

SIUE offers secondary level teacher licensure in the areas below. Students major, and earn a degree, in a specific content area. Secondary Education is not a stand-alone major at SIUE, but a sequence of professional courses added to a major enabling one to earn teacher licensure.

Biology	Mathematics
Chemistry	Music (K-12)
English	Political Science
Geography	Theater and Dance (K-12)
History	Foreign Language (K-12 licensure in French, German, or Spanish)

Once you have declared your chosen major at SIUE, please contact the CAS Advising office to meet with your major advisor.  
Peck Hall, Room 1315, 618-650-5525, [casadvising@siue.edu](mailto:casadvising@siue.edu)

Students will work with two advisors and a faculty mentor from your content major.

- Your CAS Major Advisor will be responsible for general education and major requirements, and will lift your Advisor Hold each semester
- Your SEHNB Student Services Advisor will track your teacher licensure requirements and enroll you in professional education courses

If you already have a bachelor's degree in a content area and would like to pursue licensure to teach grades 9 - 12 in that content area, please contact the Licensure Office at SEHNB-EdPrep@siue.edu.

### Program Application:

Students must complete an application by February 1 in the year preceding their anticipated entry into the 2-year Secondary Program. Link to application can be found on the SIUE Educator Preparation website: <https://www.siue.edu/education/programs-departments/educator-preparation/current-students/program-student-teaching-applications.shtml>

Program information is subject to change.

To stay current with Illinois Licensure requirements, please keep in touch with your Education advisor.
