SIUE Email: _____

Secondary Education is not a stand-alone major at SIUE, rather a sequence of professional courses added to a major enabling one to earn teacher licensure. Students major, and earn a degree, in a specific content area.

SIUE offers secondary level teacher licensure in the following areas:

Art (K-12)	English	Mathematics	Theater and Dance (K-12)
Biology	Geography	Music (K-12)	Foreign Language (K-12)
Chemistry	History	Political Science	- French, German, or Spanish)

Once you have declared your chosen major at SIUE, please contact the CAS Advising office to meet with your major advisor.
Peck Hall, Room 1315, 618-650-5525, casadvising@siue.edu

Students will work with two advisors and a faculty mentor from their content major.

- The CAS Major Advisor will be responsible for general education and major requirements, and will lift the Advisor Hold each semester
- The SEHNB Student Services Advisor will track grades and progress teacher licensure requirements and facilitate enrollment in professional education courses
