ENRICHING + EMPOWERING + ENGAGING EDUCATION *for all*

# FALL FOCUS

As we head into fall, a season of fresh starts and big ideas, our team is excited to invite you to explore new opportunities at The Wedge Powered by SIUE, where innovation, education, and community collide in the heart of historic downtown Alton.

More than just a building, The Wedge is a bold investment in our region's digital future. This state-of-the-art social impact hub brings together entrepreneurs, educators, and community leaders to create real solutions and spark economic growth across the Metro East. With shared workspaces, private offices, event venues, and a rooftop terrace, The Wedge offers the perfect environment to launch your next project, grow your skills, or just connect with others who are building what's next.

This fall, we're rolling out a dynamic lineup of professional development workshops, personal enrichment opportunities, and collaborative programs designed to meet learners and leaders right where they are. From data and tech to sustainability and storytelling—there's something at The Wedge for anyone ready to engage with the future. Check out all events at The Wedge at [thewedgealton.com](http://thewedgealton.com).

We hope you'll stop by, sign up, or simply reach out to learn more. Together, let's make this fall a season of progress, purpose, and possibility.

Warmly,

**The Online Services and Educational Outreach Team**

## ONLINE REGISTRATION

How to Create an Account and Register for Online Services and Educational Outreach Programs

### 1. Create an account.

If this is your first time registering for a membership, trip or non-credit course online, you must create an account.

- Go to: <https://www.enrole.com/siue/>
- Click on "Sign In/Create Acct" in the left navigation menu.
- Select "Create Account" and proceed to enter your information.
- Be sure to select "Yes" to receive emails and mailings from us with information about upcoming programs.
- Also, you will want to select "Individuals" before clicking "Submit" at the bottom of the page.

### 2. Add items to your cart.

After you have created an account or logged in, use the navigation on the left to select which category/courses/memberships/trips you want to add to your cart. Once you find the item you want to add, click "Add to Cart."

- If your course is hosted on the SIUE Edwardsville campus, there may be parking charges included. Select "Registration Fee – Without Parking," if you either would not like to pay for a parking pass or are associated with the University and have a University hang tag. Select "Registration Fee – Parking Included" if you would like to obtain a parking pass for the duration of the offering.
- From here you may either continue shopping or check out. If you are registering for a course that requires a promo code, you may enter it on this screen. Follow the prompts on the subsequent screens.

### 3. Completing your registration.

In your shopping cart, you should see your name under "Attendee List" and under the item(s) for which you are registering.

- If there is more than one member of your household attending, you may register both people for the event at the same time by clicking "Add Another Attendee" at the bottom of the page.
- You may also add additional programs and register for all the programs in which you are interested at once. Clicking "Submit Order," you will be redirected to the CashNet payment portal.
- Please enter your credit card information to complete your registration and click "Continue Checkout" at the bottom of the page.
- You will be redirected to a review page where you can review your order before finally submitting your order.
- Your order is not placed until you finalize your registration and are taken to a page with "Thank you. Your order has been placed." at the top of the page.

**For any issues with registration or payment, please call 618-650-3213 to receive assistance.**

# OFF-CAMPUS AND CORPORATE PARTNERSHIPS

**[siue.edu/corporate](http://siue.edu/corporate)**

## Corporate Affiliates Pilot Program

SIUE is rolling out a new pilot program for corporations, non-profits, and government entities that offer tuition reimbursement to employees. Through a simple contract between the employer and SIUE, employees receive a waived application fee, a tuition discount, and concierge service such as registration help, a dedicated contact for questions that may arise, and assistance navigating a return to the classroom for busy working adults. If your company offers tuition reimbursement and you're not already receiving this benefit, contact our office today to discuss this exciting new opportunity because openings are limited!

## Traditional Corporate Partnerships

SIUE partners with organizations to offer educational and training opportunities for their employees. Through a unique contractual agreement, credit and non-credit opportunities are available to your staff so they can earn advanced credentials without ever receiving a bill from SIUE. Partnership students benefit from curriculum specifically designed for the working professional. If you do not see your employer on this list, we will be pleased to work with your human resources department to add your organization to our growing list of partners who recognize the value of investing in their employees' professional development.

# **CAREERS IN WATER TREATMENT TECHNOLOGY**

## **SIUE ENVIRONMENTAL RESOURCES TRAINING CENTER**

### **Water Quality Control Operations Program**

Program Cost: \$9,900

[siue.edu/ertc](http://siue.edu/ertc)

### **PROGRAM**

The SIUE Environmental Resources Training Center (ERTC) Water Quality Control Operations Program is a one-year, full-time program of study leading to a certificate of completion. Classes meet Tuesday-Friday for nine months starting in mid-August each year. During the summer, students complete a 10-week internship program where they work five weeks at a drinking water treatment plant and five weeks at a wastewater treatment plant.

Upon completion of the full-year program, students are qualified to enter the water and wastewater industry as water operators, wastewater operators, distribution/collection workers, laboratory technicians, or maintenance workers all for less than \$10,000.

### **FACILITIES**

The ERTC facility provides students with two fully equipped wet chemistry teaching labs, classrooms, auditorium, library/computer center, 30,000 gallon/day training-scale drinking water and wastewater treatment plant, and the 0.5 million gallon/day SIUE University wastewater treatment plant.

### **CERTIFICATIONS**

Students are eligible to take Illinois and Missouri certification exams to become certified as drinking water and wastewater operators-in-training. Upon completion of the ERTC program, graduates are eligible for full certification.

Contact the Environmental Resources Training Center for more information.

# DATA ANALYTICS

## Introduction to Data Science: Data Analytics

Thanks to continuous improvements in technology, every industry is becoming progressively more data driven. Data analytics is the science and art of analyzing data and using that information to make informed decisions. This course introduces the foundational principles underlying data analytics and the tools often used by analysts to mine through and analyze “big data.” No specific background is required, although familiarity with Excel is helpful.

*Course Fee: \$99*

*Rolling enrollment available to begin at any time during fall semester  
Online via Zoom*

## Introduction to Data Science: Data Organization and Preparation for Analysis

The world is full of data. However, before that data can be analyzed and insights can be gleaned from it, data must first be organized, integrated, cleaned, and prepared for analysis. This course introduces the tools and techniques that students can use to format their data, leading to hassle free analyses. Excel will be used for all lessons, and students will leave the course with a knowledge of the different functions and tools in Excel. No background in Excel is required, although a basic familiarity with computers is helpful.

*Course Fee: \$99*

*Rolling enrollment available to begin at any time during fall semester  
Online via Zoom*

## Data Visualization in Power BI

An introduction to data visualization, dashboarding and reporting techniques, data visualization is an important component of data science and data-driven decision making. As the world becomes more data-driven, the ability to create engaging and informational visuals is an increasingly vital skillset. Individuals in this course will learn data visualization techniques, as well as how to use Power BI to make real-time, interactive dashboards to display data. This course will be hosted in an asynchronous format, which means the instructor will provide recorded lectures that can be watched at any time and will be available for further instruction and assistance throughout the course open times.

*Course Fee: \$99*

*Rolling enrollment available to begin at any time during fall semester  
Online via Zoom*

## Introduction to Python

The ability to code in Python is one of the most highly sought skills in data scientists. This course is designed to provide students with a foundation in Python programming. Students will learn the fundamentals of Python syntax, how to identify, manipulate, and work with different types of variables and arrays, how to build their own functions, how to perform basic data analyses, and how to create and modify graphics. No prior knowledge of Python or other programming languages is required, although basic knowledge of coding in any programming language would be helpful. This course is offered on-demand asynchronous, meaning that students can complete modules on their own time and at their own pace.

*Course Fee: \$99*

*Rolling enrollment available to begin at any time during fall semester  
Online via Zoom*

# EDUCARD

## Do you want the opportunity to explore possibilities of professional growth or personal enrichment in an economical and flexible way?

If you answered “Yes,” we invite you to sit in on regular classes at SIUE through our Educard Program. Educard is a special community program that allows you to attend selected credit classes offered by SIUE. It provides an opportunity for you to sample the subjects that interest you most. Anyone who is not currently enrolled for credit in the University is eligible for Educard. High school students are eligible and may take up to three classes.

### Which classes are approved for Educard participation?

For a full list of classes, please visit [banner.siue.edu/ssb](http://banner.siue.edu/ssb) and click Class Schedule. Select the Fall 2024 term and search any subject you would like. Classes not offered through Educard are classes with a full enrollment, non-credit classes, travel study, distance education, classes in which a danger may exist, classes requiring prerequisites, and classes where added direct expense may be incurred by the University.

### What is not included?

- You will not receive a grade as an Educard participant.
- No official records of your classwork or attendance will be kept; therefore, no transcript is available.
- Since you do not pay normal student welfare and activity fees, you may not participate in student services and activities supported by those fees.

### What about textbooks?

Educard participant may borrow textbooks, as available, at no cost through Textbook Service. You may pick up your textbooks after the first week of classes, and you are required to return textbooks to Textbook Service at the end of the term.

### What is the fee?

\$60 per class

### Register for Educard

- Online: [siue.edu/educard](http://siue.edu/educard)
- In person: Rendleman Hall, Room 1330, Monday-Friday, 8 a.m.-4:30 p.m.
- Please do not mail payment

# WORKFORCE INNOVATION OPPORTUNITY ACT PROGRAM

## Unemployed? Underemployed?

**SIUE serves students through the Workforce Innovation and Opportunity Act (WIOA) Program.**

SIUE works regularly with county and state employment and training agencies to help match eligible students with funding. Individuals who are unemployed, underemployed or experiencing financial hardship may be eligible for support to complete their educational programs. Students must be seeking a credential in a high-demand employment field, be within two years or less of completing their degree, and meet local workforce criteria to qualify.

If you are seeking employment in an in-demand field and are interested in learning more about funding opportunities that will help you complete an SIUE program, please contact us at [outreach@siue.edu](mailto:outreach@siue.edu) or reach out directly to your county provider:
