EDUCATIONAL OUTREACH

Discover noncredit
courses, professional
development, and
lifelong learning
opportunities.

ENRICHING + EMPOWERING + ENGAGING EDUCATION *for all*

FALL FOCUS

Fall offers a natural moment to pause, refocus, and invest in what comes next. Whether you are looking to grow in your current role, explore a new interest, support your organization more effectively, or prepare for a future opportunity, our noncredit courses are designed to help you take that next step with confidence.

This fall, we are glad to be able to introduce two new certificate options that support timely and practical skill building.

Our new Bookkeeping for Nonprofits certificate is designed for nonprofit professionals, volunteers, board members, and others who support the financial health of mission-driven organizations. By registering for the certificate option, learners receive a discounted rate for all three Bookkeeping for Nonprofits courses. This certificate is administered by UGotClass®, with a certificate fee of \$495.

We are also offering the new certificate in ChatGPT, created for learners who want to better understand and apply generative artificial intelligence tools in practical, professional, and creative ways. Learners who register for the certificate option receive all three ChatGPT courses at a discounted rate. This certificate is administered by UGotClass®, with a certificate fee of \$495.

As fall approaches, now is the perfect time to turn curiosity into capability, ideas into action, and goals into meaningful progress. We invite you to explore the catalog and discover a course or certificate that can help you grow into your next season.

Warmly,
The Online Services and Educational Outreach Team

ONLINE REGISTRATION

Follow the steps below to create an account and register for Online Services and Educational Outreach programs.

1. Create an account.

If this is your first time registering for a membership, trip or non-credit course online, you must create an account.

- Go to: <https://www.enrole.com/siue/>
- Click on “Sign In/Create Acct” in the left navigation menu.
- Select “Create Account” and proceed to enter your information.
- Be sure to select “Yes” to receive emails and mailings from us with information about upcoming programs.
- Select “Individuals” before clicking “Submit” at the bottom of the page.

2. Add items to your cart.

After you have created an account or logged in, use the navigation menu on the left to select which category, courses, memberships, or trips you want to add to your cart. Once you find the item you want to add, click “Add to Cart.”

- If your course is hosted on the SIUE Edwardsville campus, there may be parking charges included. Select “Registration Fee - Without Parking,” if you either would not like to pay for a parking pass or are associated with the University and have a University hang tag. Select “Registration Fee - Parking Included” if you would like to obtain a parking pass for the duration of the offering.
- From here you may either continue shopping or check out. If you are registering for a course that requires a promo code, you may enter it on this screen. Follow the prompts on the subsequent screens.

3. Complete your registration.

In your shopping cart, you should see your name under “Attendee List” and under the item(s) for which you are registering.

- If there is more than one member of your household attending, you may register both people for the event at the same time by clicking “Add Another Attendee” at the bottom of the page.
- You may also add additional programs and register for all the programs in which you are interested at once. After clicking “Submit Order,” you will be directed to the CashNet payment portal.
- Please enter your credit card information to complete your registration and click “Continue Checkout” at the bottom of the page.
- You will be redirected to a review page where you can review your order before finally submitting your order.
- Your order is not placed until you finalize your registration and are taken to a page with “Thank you. Your order has been placed.” at the top of the page.

For any issues with registration or payment, please call 618-650-3213 to receive assistance.

OFF-CAMPUS AND CORPORATE PARTNERSHIPS

siue.edu/corporate

Corporate Affiliates Pilot Program

SIUE offers a pilot program for corporations, nonprofits, and government agencies that provides tuition reimbursement to employees. Through a simple contract between the employer and SIUE, employees receive a waived application fee, a tuition discount, and concierge service such as registration help, a dedicated contact for questions that may arise, and assistance navigating a return to the classroom for busy working adults. If your company offers tuition reimbursement and you're not already receiving this benefit, contact our office today to discuss this exciting new opportunity because openings are limited!

Traditional Corporate Partnerships

SIUE partners with organizations to offer educational and training opportunities for their employees. Through a unique contractual agreement, your staff can access credit and noncredit opportunities to earn advanced credentials without ever receiving a bill from SIUE. Partnership students benefit from curriculum specifically designed for the working professional. If you do not see your employer on this list, we will be pleased to work with your human resources department to add your organization to our growing list of partners who recognize the value of investing in their employees' professional development.

For more information, please contact:

Lacey Wieseman
Assistant Director of Off-Campus and Corporate Partnerships
lwiesem@siue.edu | 618-650-3208

JUNIOR COUGARS AT COLLEGE

Whether your junior Cougar is exploring new interests or already dreaming of a future career, our Junior Cougars at College courses give them the chance to discover passions, build skills, and learn about a wide range of career paths. We also offer sessions designed just for you so you can also learn as they grow. Join our campus staff and community partners for engaging programs that introduce new ideas, hands-on experiences, and exciting opportunities to learn together.

Money Matters and More for Students

This course introduces middle and high school students to practical money management skills needed for financial well-being, including creating budgets, understanding banking services, and setting actionable goals. Students will also learn how to identify and avoid different types of loans that cause vicious cycles of debt. Through hands-on activities and real-world applications, students will build the knowledge and confidence to make informed financial decisions and establish healthy financial habits.

Course Fee: Free
Wednesday, 6-8 p.m. Oct. 21
SIUE Belleville Campus

CAREERS IN WATER TREATMENT TECHNOLOGY SIUE ENVIRONMENTAL RESOURCES TRAINING CENTER

Water Quality Control Operations Program

Program Cost: \$9,900
siue.edu/ertc

PROGRAM

The SIUE Environmental Resources Training Center (ERTC) Water Quality Control Operations Program is a one-year, full-time program of study leading to a certificate of completion. Classes meet Tuesday-Friday for nine months starting in mid-August each year. During the summer, students complete a 10-week internship program where they work five weeks at a drinking water treatment plant and five weeks at a wastewater treatment plant.

Upon completion of the full-year program, students are qualified to enter the water and wastewater industry as water operators, wastewater operators, distribution/collection workers, laboratory technicians, or maintenance workers.

FACILITIES

The ERTC facility provides students with two fully equipped wet chemistry teaching labs, classrooms, auditorium, library/computer center, 30,000 gallon/day training-scale drinking water and wastewater treatment plant, and the 0.5 million gallon/day SIUE University wastewater treatment plant.

CERTIFICATIONS

Students are eligible to take Illinois and Missouri certification exams to become certified as drinking water and wastewater operators-in-training. Upon completion of the ERTC program, graduates are eligible for full certification.

Contact the Environmental Resources Training Center for more information.

PERSONAL DEVELOPMENT

siue.edu/personal-development

CREATIVE ARTS

Relaxing Basic Embroidery Stitch Practice for Beginners

Do you need a new hobby, or have you wanted to try a new medium but feel hesitant to invest in materials? Here's your chance to explore without commitment! Join Miss Ruthie to experiment, practice, and learn basic embroidery stitches in a relaxed setting. An embroidery hoop, fabric, and thread will be provided so you can try things out and build your skills. Students are encouraged to bring snacks, drinks, or anything that helps you feel comfortable and relaxed while creating. Students ages 13 and up are welcome!

Course Fee: \$50
Friday, 6-8 p.m., Sept. 18
Macoupin Art Collective, Staunton

Ghost Luminaries

Miss Ruthie will teach you how to create a ceramic ghost luminary or tea candle holder. You will learn simple hand-building and glaze techniques and how to use a variety of clay tools. Gain an understanding of clay and its properties as you make, decorate, and glaze a ghost luminary for a once-fire. You are encouraged to bring snacks and drinks to the class and relax while making art. Students ages 13 and up are welcome!

Course Fee: \$55
Friday, 6-9 p.m., Oct. 9
Macoupin Art Collective, Staunton

Returning! Ceramic Serving Platter

Miss Ruthie will guide you in hand-building a ceramic platter while exploring a variety of textures. You will learn basic slab-building and stamping techniques, simple glazing methods, and how to use a range of clay tools while gaining an understanding of clay and its properties. Create, decorate, and glaze a platter in class, preparing it for a single firing process. You are encouraged to bring snacks and drinks and relax while creating. Students ages 13 and up are welcome!

Course Fee: \$55
Friday, 6-9 p.m., Nov. 13
Macoupin Art Collective, Staunton

New! Ceramic Holiday Ornaments

Miss Ruthie will guide you in creating simple, festive holiday ornaments to add to your decor. You will learn basic slab and stamping techniques, explore a variety of clay tools, and develop an understanding of clay and its properties. You'll make, decorate, and glaze your ornaments in class, preparing them for a single firing process. Bring snacks and drinks and relax while creating. Students ages 13 and up are welcome!

Course Fee: \$55
Friday, 6-9 p.m., Dec. 11
Macoupin Art Collective, Staunton

CREATIVE ARTS (CONT.)

Beginning Drawing

Drawing is a skill that can be developed with practice. You will learn how to draw with proper techniques and discover how to represent what you see through studies in contour drawing, perspective, positive/negative space, and value.

Course Fee: \$59
Tuesdays, 5-6:30 p.m., Sept. 1-Oct. 6
Online via Zoom

Intermediate Drawing

For those with some drawing experience, you will refine and expand your drawing and observation skills.

Course Fee: \$59
Wednesdays, 5-6:30 p.m., Sept. 2-Oct. 7
Online via Zoom

Learning to Knit: Two Sticks and a String

Learn to knit in a relaxed environment. We will discuss yarn and tool selection, and you will learn basic stitches and how to read a pattern while completing a simple project. Don't be scared! It's just string!

Course Fee: \$109*
Tuesdays and Thursdays, 6-8 p.m., Nov. 3-19
SIUE Edwardsville Campus

HOBBIES AND MORE

Introduction to Golf

Ever wanted to learn to golf or take your love of golf to the next level? This course is a great refresher for the recreational player or a must for new golfers. Join us to learn the game in a mixed group setting. Let our PGA Professionals and TPI Certified Fitness Trainers work with you on being better — physically and mentally — for the course. Training will take place at the practice facility, putting green, and on the course. Open to anyone 12 years and up. Please bring your own golf clubs!

Course Fee: \$169
Saturdays, 10 a.m.-noon, Oct. 3-31
Sunset Hills Country Club, Edwardsville

Sunset Hills Country Club's training facility is absolutely the best around. Instructor Jon DePriest is very knowledgeable of golf and explains the fundamentals and more very well. After completing this course, I shot the best round ever.

– BRYON C.

“/”

The Mystique of Noir Films

Step into a world of rain-slicked streets and moral ambiguity where every shadow tells a secret and no one is who they seem. Join us each week to learn all about the iconic detectives and lethal sirens who inhabit the stylish, high-stakes world of film noir, past and present.

Course Fee: \$59
Wednesdays, 6-8 p.m., Sept. 16-Oct. 7
SIUE Belleville Campus

The History of Film: The 1970s

Step back and watch history unfold on the big screen! This lively, no-homework course explores how films both reflected and influenced the events, trends, and ideas of the 20th century. Each session will highlight a different era, pairing classic movies with engaging insights into the culture, fashion, music, and politics of the time. Whether you're a film lover, a history enthusiast, or simply curious about the stories behind the screen, you'll enjoy thoughtful discussions, hear some fresh perspectives, and make plenty of memories during this course.

Course Fee: \$59
Fridays, 6-8 p.m., Oct. 23-Nov. 13
SIUE Belleville Campus

Hold the Salt: Winter Pollution Solutions

Winter weather can turn sidewalks, parking lots, and roadways into slippery hazards, but the common practice of spreading salt carries hidden environmental costs. Each year, large amounts of deicing salt wash into soils and waterways, harming plants, infrastructure, and aquatic life. This course explores how winter maintenance practices impact our region and what can be done differently. This one-hour session breaks down the science behind salt pollution and shares practical strategies for maintaining safety while reducing salt use, and provides participants with smarter application techniques and real-world solutions to protect both people and the environment.

Course Fee: \$59
Thursday, 3 p.m., Nov. 5
SIUE Belleville Campus

Heartsaver® CPR/AED Certification

No medical training? No problem! Heartsaver® courses are designed for anyone willing to learn first-aid basics for the most common first-aid emergencies. You will receive hands-on training in cardiopulmonary resuscitation (CPR) and learn to use an Automatic External Defibrillator (AED) in a safe, timely, and effective manner. You will receive a two-year certification card upon course completion.

Course Fee: \$99
Tuesdays and Wednesdays
Two Sessions Available
• Oct. 13, 5-8 p.m. and Oct. 14, 1-4 p.m.
• Dec. 8, 1-4 p.m. and Dec. 9, 5-8 p.m.
SIUE Belleville Campus

Stop the Bleed

Trauma-related deaths account for approximately 40% of fatalities worldwide, with severe bleeding being the leading cause. Time is critical when someone is experiencing severe bleeding, as they can succumb to their injuries in as little as five minutes. This training emphasizes the urgent need for bleeding control by containing blood loss. This course follows OSHA guidelines, covers identifying bleeding types, and identifies bleeding control techniques like applying pressure, wound packing, and using a tourniquet. You will receive a printable certification upon finishing the course and passing the final exam.

Course Fee: Free
Wednesday, 10:30-11:30 a.m., Oct. 7
SIUE Belleville Campus

CULINARY ARTS

Students will receive a packet of preparation tips and recipes via email before each class, allowing time to purchase ingredients and gather any necessary supplies to cook along during the session.

Soups and Stews

As the weather cools, it's the perfect time to enjoy a warm bowl of soup! Learn essential tips and techniques for creating soups, stews, and chowders. In this course, you will prepare vegetarian broccoli and cheddar soup, pasta e fagioli, and hearty Tuscan broth-based chicken soup. Students will receive additional recipes for dishes that are not completed in class, such as white chicken chili, loaded baked potato soup, beef stew, and lobster bisque.

Course Fee: \$59
Wednesday, Sept. 9, 6-8 p.m.
Online via Zoom

Chinese Cooking at Home

Skip the delivery fees and make your own Chinese food at home! Learn how to easily make eggrolls, fried rice, orange chicken, and Chinese lo mein noodles. Students will receive additional recipes for dishes that are not completed in class.

Course Fee: \$59
Wednesday, 6-8 p.m., Oct. 7
Online via Zoom

Pie Baking 101

Learn how to make delicious pies from scratch. This class will teach you how to utilize baking techniques to craft beautiful and great tasting pies. Recipes featured in this course will include a homemade pie crust, fruit pie, cream pie, pecan pie, and a custard pie. Students will receive additional recipes for dishes not completed in class.

Course Fee: \$69
Wednesday, Nov. 18, 6-9 p.m.
Online via Zoom

New! Christmas Brunch

Everyone loves Christmas brunch! Whether you're hosting at home or bringing a dish to share, this course will give you crowd-pleasing recipe ideas for the holidays. You'll learn to prepare puff pastry mini quiches (a homemade take on bakery-style egg souffles), eggnog French toast with banana foster sauce, a simple Christmas pasta dish, fresh winter fruit salad, and a festive mocktail that can easily be made into a cocktail. Students will receive additional recipes for dishes that are not completed in class.

Course Fee: \$59
Saturday, Dec. 5, 10 a.m.-noon
Online via Zoom

BREADS

Participants will take all recipes and finished products (20-30 loaves of bread) home. All ingredients will be provided for the baking process. All classes held at 222 Artisan Bakery, 222 St. Louis St., Edwardsville.

Artisan Breads I

Learn the basics of bread-making, including terminology, ingredient functionality, mixing and dough development, dough handling, and the steps to the fermentation process.

Course Fee: \$149
Three Sessions Available:
Monday-Wednesday, 5-8 p.m.
Sept. 7-9
Sept. 14-16
Sept. 28-30

Artisan Breads II

This course will build on the knowledge gained in Artisan Breads I with a focus on sourdough breads and the functions of bread making.

Course Fee: \$149
Two Sessions Available:
Monday-Wednesday, 5-8 p.m.
Oct. 5-7
Oct. 12-14

Artisan I or II must be taken before participating in any of the following courses.

Breads of the British Isles

Take a step across the pond as this course ventures through the history and techniques used to make some classic bread recipes from the British Isles. Learn to bake Victorian milk bread, Irish brown bread, soda bread, bara brith, and a few more favorites.

Course Fee: \$149
Monday-Wednesday, 5-8 p.m., Oct. 19-21

Italian Breads

A simple look at classic Italian bread recipes, including focaccia, ciabatta, fougasse, and pizza dough recipes.

Course Fee: \$149
Monday-Wednesday, 5-8 p.m.
Two Sessions Available:
Oct. 26-28
Nov. 16-18

German Breads

It's a rye lover's dream! We will hit on six vastly different German breads while also making rolls.

Course Fee: \$149
Monday-Wednesday, 5-8 p.m., Nov. 30-Dec. 2

Breads of the World

This course will build upon our knowledge of different grains by tackling nine breads from seven countries, learning about their history, and utilizing the unique shaping methods that go with them.

Course Fee: \$149
Monday-Wednesday, 5-8 p.m., Dec. 7-9

Beginning Spanish

Do you want to learn the Spanish language? Beginning Spanish is the perfect place to start, as you will be introduced to the language even if you have little to no knowledge of it!

Course Fee: \$99*
Tuesdays, 6-7:30 p.m., Sept. 8-Oct. 13
Hybrid, SIUE Edwardsville Campus and Online

Intermediate Spanish 2

This course will enhance your ability to describe ongoing actions and improve fluency using object pronouns. By learning to use estar and gerunds to form present and past progressive tenses, you'll be able to describe actions happening in the moment. The course also emphasizes the placement and use of direct and indirect object pronouns, helping you replace repetitive nouns and communicate more naturally and efficiently.

Course Fee: \$99*
Tuesdays, 6-7:30 p.m., Oct. 27-Dec. 9
(No class on Nov. 3)
Hybrid, SIUE Edwardsville Campus and Online

Beginning Italian

Explore the fun and enjoyment of the language and culture. This class provides a basic understanding of the Italian language through grammar, pronunciation, recognition of Italian words, formulation of questions for basic conversation, and building simple vocabulary. A textbook is required, and a link to purchase will be sent to you prior to the course beginning.

Course Fee: \$89
Mondays, 6:30-8 p.m., Sept. 14-Nov. 16
SIUE Belleville Campus

Advanced Italian

If you already have knowledge of this beautiful language, this course is designed just for you! Join us as we continue our journey through learning the Italian language and delve deeper in grammar and syntax.

Course Fee: \$89
Mondays, 4:30-6 p.m., Sept. 14-Nov. 16
SIUE Belleville Campus

“Italian was a great class that far exceeded my expectations. I can’t wait to continue learning from Barbara Klein.
—PAT V.”

Everyday Japanese Elementary 1: Let’s Speak in Japanese

Let’s get started with Japanese! These courses are designed for beginners who want to develop basic Japanese language skills. No need to know the Japanese characters. Textbook information will be emailed approximately one week prior to the start of class.

Course Fee: \$109*
Tuesdays, 6-8 p.m., Sept. 1-Oct. 6
SIUE Edwardsville Campus

Everyday Japanese Elementary 2: Let’s Speak in Japanese

Let’s get started with Japanese! This course is designed for beginners who wish to continue learning Japanese language skills. Textbook information will be emailed approximately one week prior to the start of class.

Course Fee: \$109*
Thursdays, 6-8 p.m., Sept. 3-Oct. 8
SIUE Edwardsville Campus

INTENSIVE ENGLISH PATHWAY

Strengthen Your English Skills

SIUE’s Intensive English Pathway (IEP) is a great resource for those who would like to strengthen their English skills and improve reading, writing, listening, and/or speaking through interactive classes. This program offers affordable classes to English language learners in multiple skill sets. Each semester, the IEP offers a variety of English language classes to suit learners’ needs. Courses run in eight-week blocks throughout the academic year and average 50 minutes per week. *Registration deadlines are one week prior to each session start date.*

Visit siue.edu/iep for up-to-date information on course names and schedules. Contact Asha Mattan at amattan@siue.edu for more information.

Belleville Campus Creative Nonfiction

Life can give us so many fascinating anecdotes — here’s your chance to develop them into stories you can write for your family and friends or share with a wider audience. The course covers many types of writing, from memoirs and poetry to historical writing and personal essays. Start from something that has happened and then build it into a compelling piece of work. Here’s your chance to have fun exploring the subject, whether you’ve been writing creative nonfiction for years or you’re trying it out for the first time.

Course Fee: \$59
Tuesdays, 6-8 p.m., Oct. 27-Nov. 17
SIUE Belleville Campus

Screenwriting Bootcamp

If you are a movie or TV lover and have always wanted to try your hand at writing a script, this is your chance to make it happen. This course will look at the three core elements of screenwriting, including formatting, craft, and storytelling, and will explain how to use today’s screenwriting software. Work on a script for a short film, a feature, or a television drama or comedy, and have fun in the process!

Course Fee: \$79*
Mondays, 6-8 p.m., Nov. 23-Dec. 14
SIUE Edwardsville Campus

Creative Writing

Do you have a story you would like to tell, but you are not sure where to start? Join us in exploring the many ways you can make that story a reality. In this course, you will look at fiction, creative nonfiction, and nonfiction narratives, examine the parts of a story, and learn how to develop them effectively. Whether this is your first time writing or you are an old pro, you will have a chance to hone your craft and have a lot of fun along the way.

Course Fee: \$79*
Fridays, 6-8 p.m., Nov. 20-Dec. 11
SIUE Edwardsville Campus

Belleville Campus Subconscious Writing

Are you struggling to start a writing project or can’t keep it going once you do? Do you feel like your work sometimes falls flat or lacks inspiration? This course explores subconscious writing techniques designed to spark creativity and keep your ideas flowing. You’ll learn practical tools and strategies to help you move past the writer’s block, write more freely, and enjoy the process. Relax, trust your instincts, and discover the creativity just beneath the surface of your mind!

Course Fee: \$59
Tuesdays, 6-8 p.m., Nov. 24-Dec. 15
SIUE Belleville Campus

The SIUE Lifelong Learning Institute provides programs designed for a lifetime of learning and personal growth. Through engaging presentations, shared learning opportunities, and meaningful connections, participants are encouraged to explore new ideas, broaden their perspectives, and become part of a vibrant learning community.

Lifelong Learning Institute membership benefits include:

- Admission to the Speaker Series
- Free or reduced-price Lifelong Learning Experiences outings
- Courtesy borrowing privileges at Lovejoy Library
- Discounts on select noncredit courses

Community members may join the Lifelong Learning Institute for \$45 per semester. Parking for the semester is available for Lifelong Learning Institute members for an additional \$40 per household. Non-members and members who do not wish to purchase a semester parking pass may pay at campus kiosks.

For more information about the Lifelong Learning Institute, please visit siue.edu/educational-outreach.

SPEAKER SERIES

The Speaker Series is the heart of the Lifelong Learning Institute. Each day features two sessions led by SIUE faculty, regional experts, and community leaders. Participants may attend one or both presentations while exploring a variety of subjects that change each semester.

Speaker Series talks are included with Lifelong Learning Institute membership. Non-members may attend individual talks for \$5 each. Sessions will be held on the second floor of the Morris University Center on the SIUE Edwardsville campus unless otherwise noted.

For a complete list of topics, presenters, and session room locations, please visit the Lifelong Learning Speaker Series registration page.

PROFESSIONAL DEVELOPMENT

PROFESSIONAL DEVELOPMENT

Introduction to QuickBooks® Online

Learn the fundamentals of bookkeeping, including debits, credits, assets, liabilities, and equity, and how they are applied in QuickBooks® Online. This course introduces essential accounting concepts, including double-entry bookkeeping, and shows how QuickBooks® Online simplifies recording transactions and generating reports. You will set up a company, create a chart of accounts, enter inventory, record sales, create purchase orders, and reconcile accounts. Software is included with the course fees.

Course Fee: \$99

Digital Badge Fee: \$49 (additional to the course fee)

Tuesdays and Thursdays, 6-7:30 p.m., Sept. 1-29

Online via Zoom

Social Media for Small Business

Do you own a business but have little to no social media presence? Does the idea of making a TikTok video make you want to run? This course is for you! Discover ways that you can propel your business in 2026 with social media. This course will discuss the most popular social media platforms, what demographic groups are watching, and how you can enter the wonderful world of promoting your business on social media without a professional photographer, no videographer, and little to no social media marketing experience. Learn how to position your business to cut through the noise on social media platforms and how to build your business brand and grow revenue.

Course Fee: \$300

Tuesday, Sept. 22, 6-9 p.m.

SIUE Belleville Campus

Communicating Skills for Authentic Leaders: Leveraging Extended DISC®

Master the art of authentic leadership through effective communication strategies. Discover your unique communication style and learn how to leverage your Extended DISC® Profile results to become a more impactful leader. Through a blend of engaging discussions, interactive activities, and reflective practice, you will learn how to use this powerful tool to improve your communication skills, while building stronger relationships and increasing productivity, in alignment with your vision of success. Includes Extended DISC® assessments and workbooks.

Course Fee: \$109

Wednesdays, 11:30 a.m.-1 p.m.

Two Sessions Available

• Sept. 2-23

• Oct. 7-23

Online via Zoom

Strategic Career Positioning: Marketing Your Value for High-Paying Roles

In this course, you'll learn how to approach your resume, job search, and career development as a strategic marketing process rather than a traditional, keyword-driven application process. Using a proven framework designed for professionals pursuing high-impact roles, you'll transform your resume into a positioning asset that clearly communicates the value you create, the scale at which you operate, and the outcomes organizations can expect. Participants will uncover underleveraged accomplishments and leverage AI tools, including ChatGPT, Gemini, and Claude, to strengthen resumes, prepare for interviews, explore career paths, and market themselves more effectively for higher-value opportunities.

Course Fee: \$249

Tuesday, Oct. 20, 5:30-7 p.m.

SIUE Edwardsville Campus

Grant Writing and Management for Public Agencies and Nonprofits

In this course, you'll gain a practical understanding of the grant process, from identifying Notice of Funding Opportunities to closing out awards. While focusing on federal grants, you'll also explore other funding sources and how they differ. You'll learn how to find opportunities that align with your organization's needs, develop competitive proposals, and manage awards while staying compliant with funding requirements. By the end of the course, you'll be better prepared to target grant programs, write strong proposals, and navigate post-award management.

Course Fee: \$29

Tuesday, Sept. 15, 5-8 p.m.

SIUE Belleville Campus

siue.edu/professional

GRANT PROCESSES FOR NOVICES

Grant writing can be daunting. Join us as we learn how to navigate grant writing, with our presenters who have spent multiple years in grant administration and successfully obtained a variety of local, state, and federal grants. Attend as many sessions as you would like or attend them all for a discounted rate of \$169!

Grant Writing for Novices

Gain an overview of the four types of grants and the common elements found in grant proposals. Funding sources for each type will be reviewed, and various elements of proposals will be discussed in detail.

Course Fee: \$49
Tuesday, Sept. 8, 5:30-7:30 p.m.
SIUE Edwardsville Campus

Grant Funding for Novices

Gain an overview of funding opportunities for the four types of grant opportunities. You will have an opportunity to explore various sites and identify potential funding sources in your area of interest.

Course Fee: \$49
Tuesday, Sept. 15, 5:30-7:30 p.m.
SIUE Edwardsville Campus

“The instructors were genuine, knowledgeable and extremely helpful. Access to help outside of class was encouraged and available. The tools and templates provided made it easy to move forward on my own afterwards. It was a very worthwhile investment of time

— CARLOS B.

”

Advance your career and improve your quality of life with a bachelor’s degree or post-baccalaureate certificate from SIUE. SIUE offers flexible, accelerated, fully online degree programs and post-baccalaureate certificates to fit the needs of adult learners like you. We offer condensed course terms and flexible entry points throughout the year.

SIUE holds the same accreditations as many of the nation’s most prestigious schools. Our online courses are held to the same high academic standards and are taught by the same highly qualified faculty who teach in SIUE classrooms. You’ll learn in a supportive, online environment that is focused on preparing you to accomplish your career goals without sacrificing personal, family, and professional commitments.

Online Bachelor’s Degree Programs

Whether you have 18 credit hours or an associate degree, a bachelor’s degree is within your reach.

Accountancy

Applied Communications Studies, Public Relations

Business Administration

- Business Administration
- Data Analytics
- Economics
- Human Resources
- Management
- Marketing
- Supply Chain Management

Criminal Justice Studies

Integrative Studies, Leadership in Organizations

Psychology

RN to BS in Nursing

Online General Education Path

Post-Baccalaureate Certificates

Post-baccalaureate certificates allow working professionals to gain additional skills by taking 3-5 credit-bearing courses.

Athletics Leadership

For individuals planning to or currently working in athletics at the college or high school levels

Data Science

For mathematicians and statisticians

Digital Media Literacy

For educators, librarians, and media professionals

Emerging Technologies

For P-12 school personnel

Instructional Design

For organizational training personnel

Online Teaching and Learning

For educators, corporate training personnel, and college instructors

Professional Leadership Strategies

For future leaders in public and nonprofit sectors

Supply Chain Management

For logistics, transportation, and warehousing personnel

Total Quality Management

For engineers, quality specialists, and project managers

Taxation*

For individuals interested in public accounting, tax positions, and other tax-related careers

WORKFORCE INNOVATION OPPORTUNITY ACT PROGRAM

Unemployed? Underemployed?

SIUE serves students through the Workforce Innovation and Opportunity Act (WIOA) Program.

SIUE works regularly with county and state employment and training agencies to help match eligible students with funding. Individuals who are unemployed, underemployed, or experiencing financial hardship may be eligible for support to complete their educational programs. Students must be seeking a credential in a high-demand employment field, be within two years or less of completing their degree, and meet local workforce criteria to qualify.

If you are seeking employment in an in-demand field and are interested in learning more about funding opportunities that will help you complete an SIUE program, please contact us at outreach@siue.edu or reach out directly to your county provider:

- Madison County Employment and Training Department (Bond, Jersey, Madison and Calhoun Counties), 618-296-4301
- St. Clair County Intergovernmental Grants Department Workforce Development Group (St. Clair, Monroe, Randolph, Clinton and Washington Counties), 618-825-3259
- siue.edu/financial-aid/wioa

DATA ANALYTICS

Introduction to Data Science: Data Analytics

Thanks to continuous improvements in technology, every industry is becoming progressively more data driven. Data analytics is the science and art of analyzing data and using that information to make informed decisions. This course introduces the foundational principles underlying data analytics and the tools often used by analysts to mine through and analyze “big data.” No specific background is required, although familiarity with Excel is helpful.

Course Fee: \$99
Rolling enrollment available to begin at any time during fall semester
Online via Zoom

Introduction to Data Science: Data Organization and Preparation for Analysis

The world is full of data. However, before that data can be analyzed and insights can be gleaned from it, data must first be organized, integrated, cleaned, and prepared for analysis. This course introduces the tools and techniques that students can use to format their data, leading to hassle free analyses. Excel will be used for all lessons, and students will leave the course with a knowledge of the different functions and tools in Excel. No background in Excel is required, although a basic familiarity with computers is helpful.

Course Fee: \$99
Rolling enrollment available to begin at any time during fall semester
Online via Zoom

Data Visualization in Power BI

An introduction to data visualization, dashboarding and reporting techniques, data visualization is an important component of data science and data-driven decision making. As the world becomes more data-driven, the ability to create engaging and informational visuals is an increasingly vital skillset. Individuals in this course will learn data visualization techniques, as well as how to use Power BI to make real-time, interactive dashboards to display data. This course will be hosted in an asynchronous format, which means the instructor will provide recorded lectures that can be watched at any time and will be available for further instruction and assistance throughout the course open times.

Course Fee: \$99
Rolling enrollment available to begin at any time during fall semester
Online via Zoom

Introduction to Python

The ability to code in Python is one of the most highly sought skills in data scientists. This course is designed to provide students with a foundation in Python programming. Students will learn the fundamentals of Python syntax, how to identify, manipulate, and work with different types of variables and arrays, how to build their own functions, how to perform basic data analyses, and how to create and modify graphics. No prior knowledge of Python or other programming languages is required, although basic knowledge of coding in any programming language would be helpful. This course is offered on-demand asynchronous, meaning that students can complete modules on their own time and at their own pace.

Course Fee: \$99
Rolling enrollment available to begin at any time during fall semester
Online via Zoom

ONLINE CERTIFICATE OPPORTUNITIES

Boost your productivity and skill set with these convenient and engaging online noncredit courses from Learning Resources Network's UGotClass® program. Participate any time on any computer to learn from expert instructors. Register for the certificate option of any course grouping and attend all courses in the group for a discounted rate. Certificate administered by UGotClass®. Registration and course deadlines same as individual courses.

Podcasting

Businesses are turning to podcasting to grow their brand and connect with customers. People with a niche hobby are turning podcasts into a business. Learn how to take your business or hobby and turn it into a podcast. This step-by-step class will take you from start to finish and cover the required elements needed to get your show online. Come to class with your idea and end with your show online for all to hear.

Course/Certificate Fee: \$245
Available Online Only: Sept. 8-Oct. 2

PODCASTING CERTIFICATE

Certificate administered by UGotClass® upon completion of Podcasting course.

Keys to Customer Service

Learning to build your customer service skills will have a powerful impact on your career success, as well as success in other areas of life. Through this course, you will discover the direct relationship between service skills and career achievement.

Course Fee: \$145
Available Online Only: Sept. 8-Oct. 2

Extraordinary Customer Service

Transform your customer service into something extraordinary. As a result, more repeat business will improve your bottom line. Extraordinary customer service comes from focusing on the essential elements that yield big results.

Course Fee: \$145
Available Online Only: Oct. 5-30

CUSTOMER SERVICE CERTIFICATE

Register for the certificate option and receive a discounted rate for both Customer Service courses. Certificate administered by UGotClass®.

Certificate Fee: \$245

Introduction to Power BI

Gain insights into your data! Power BI (business intelligence) is a widely-used business analytics service offered by Microsoft. Power BI Desktop is a complete data analysis and report creation tool that you install for free. In this course, you will discover how to quickly extract, transform, and load data with just a few clicks. You will create interactive visualizations (charts, maps, KPIs) to provide you with insights into your company's data to make informed decisions.

Course Fee: \$195
Available Online Only: Sept. 8-Oct. 2

Intermediate Power BI

Delve further into Power Query to ETL (Extract, Transform and Load) your data. Build the Data Model using modeling features and relationships. Perform calculations using Data Analysis Expressions (DAX) functions. Utilize Time Intelligence functions to view YoY or YTD reports. Add user-friendly features to enhance your reports.

Course Fee: \$195
Available Online Only: Oct. 5-30

Introduction to Six Sigma Green Belt

This challenging introduction to Six Sigma Green Belt course teaches critical skills required for Six Sigma practitioners. This first course in the certificate program explains the basic terms and proven Six Sigma problem-solving methods, team building tools, and descriptive statistics that are the basis for the statistical tools contributing to improvement of projects and the overall success of your organization.

Course Fee: \$195
Available Online Only: Sept. 8-Oct. 2

Intermediate Six Sigma Green Belt

Organizations depend on the measurement and analysis of performance to make key decisions that affect the organization. This course builds on the ideas and skills learned in the introduction to Six Sigma Green Belt course that organizations, specifically their Six Sigma teams, use to improve. You will learn process analysis, data collection and analysis, probability and valid statistical conclusions, and hypothesis testing.

Course Fee: \$195
Available Online Only: Oct. 5-30

Advanced Power BI

Expand your knowledge of Power BI Desktop to the highest level. This course focuses on the advanced capabilities of Power Query, Data Modeling, and Reports. Check for data inconsistencies, design efficient queries, create proper relationships, and write DAX code to ensure reports update quickly and accurately. Add navigation and analytical features to your reports to enable consumers to analyze the results.

Course Fee: \$195
Available Online Only: Nov. 2-27

POWER BI CERTIFICATE

Register for the certificate option and receive a discounted rate for all three Power BI courses. Certificate administered by UGotClass®.

Certificate Fee: \$495

Advanced Six Sigma Green Belt

This final course teaches participants to improve and control processes. Topics included in this course include hypothesis-testing, design of experiments, and statistical process control. The instructor will share many handouts, spreadsheets, and web links that have tools participants will use while completing Six Sigma projects.

Course Fee: \$195
Available Online Only: Nov. 2-27

SIX SIGMA GREEN BELT CERTIFICATE

Register for the certificate option and receive all three of the Six Sigma courses for a discounted rate. Certificate administered by UGotClass®.

Certificate Fee: \$495

ONLINE CERTIFICATE OPPORTUNITIES (CONT.)

Introduction to Game Design

Games are increasingly recognized as a tool that can serve many business purposes beyond entertainment. This course provides a general introduction to what goes into the design and development of both video and analog games, with a particular focus on the use of games outside of consumer entertainment.

Course Fee: \$245
Available Online Only: Sept. 8-Oct. 2

Intermediate Video Game Design

Mobile games are the fastest-growing segment of the market as more and more people play casual games. In this intermediate course, you will learn the basics of video game design process, learn about the main video game genres, and use a game development application to begin your journey of making games.

Course Fee: \$245
Available Online Only: Oct. 5-30

BASIC GAME DESIGN CERTIFICATE

Register for the certificate option and receive both of the Game Design courses for a discounted rate. Certificate administered by UGotClass®.

Certificate Fee: \$395

Introduction to SQL

Learn how to write SQL code to create and populate database tables and how to write simple SQL queries that can retrieve vast amounts of information from a database. You will discover the power of the relational database, learn how to create and manage database tables, and use SQL SELECT statements to pinpoint and retrieve data from a database.

Course Fee: \$245
Available Online Only: September, October, or November

Intermediate SQL

Discover how to write powerful SQL queries that enable you to retrieve data from one table or from multiple tables stored in the database simultaneously. You will learn how to merge data from multiple columns, create calculated fields, and order and group the results from a query. You will also learn how to create a single join query or subquery to obtain data from multiple tables simultaneously.

Course Fee: \$245
Available Online Only: September, October, or November

Advanced SQL

Take your SQL query skills to a new level. In this course, you will learn how to write advanced subqueries, advanced join queries and UNION queries that query more than one table. Learn how to use transaction processing to ensure SQL statements are executed completely or not at all and how to create stored procedures to store SQL statements for execution.

Course Fee: \$245
Available Online Only: September, October, or November

SQL CERTIFICATE

Register for the certificate option and receive a discounted rate for all three SQL courses. Certificate administered by UGotClass®.

Certificate Fee: \$595

Adobe Illustrator Essentials

Adobe Illustrator is the industry standard computer illustration software. Use Illustrator to draw shapes and design logos, flyers, posters, banners, business cards, or any other vector graphics for print or web. In this course, you will learn Adobe Illustrator fundamentals to set up a print document and use various tools to draw, type, and color all kinds of shapes and illustrations. Learn how to efficiently manage layers and artboards, and create print-ready PDF documents. Access to Adobe Illustrator software required.

Course Fee: \$225
Available Online Only: Sept. 8-Oct. 2

Adobe Photoshop Essentials

This fundamental course covers Adobe Photoshop CC most commonly used tools, menus and panels. You'll learn all the basics of Photoshop to effectively work with selection and editing tools, layers and masks to edit, retouch and enhance existing images or create your own composite digital art work. Impress your business organization, friends and family by enhancing their photos and create magazine cover quality enhanced images. Access to Adobe Photoshop software required.

Course Fee: \$225
Available Online Only: Oct. 5-30

Adobe InDesign Essentials

Adobe InDesign is the industry standard page-layout program that works with Adobe Illustrator and Photoshop seamlessly. InDesign allows you to create simple to complex multi-page documents such as brochures, flyers, books, and magazines. This course is a comprehensive exploration of InDesign tools and capabilities to create professional documents. You will learn how to manage the InDesign environment and create, setup, design, enhance, and finalize multi-page documents. Access to Adobe InDesign software required.

Course Fee: \$225
Available Online Only: Nov. 2-27

GRAPHIC DESIGN SOFTWARE ESSENTIALS CERTIFICATE

Register for the certificate option and receive all of the graphic design essentials courses for a discounted rate. Certificate administered by UGotClass®.

Certificate Fee: \$545

ONLINE CERTIFICATE OPPORTUNITIES (CONT.)

New! Introduction to Nonprofits

Understand how accounting principles apply to nonprofit organizations. Learn about the various types of nonprofits and how they differ financially. Explore legal and regulatory compliance requirements for nonprofits.

Course Fee: \$195
Available Online Only: Sept. 8-Oct. 2

Artificial Intelligence

Gain a competitive edge with artificial intelligence (AI) by mastering core concepts and practical techniques. Discover how AI can cut costs, improve efficiency, reduce errors, automate tasks, and free staff for higher-priority work. Learn to develop a workplace AI plan and strategy and leave with the knowledge and confidence to help lead your organization into this rapidly growing field.

Introduction to ChatGPT

Discover the power of AI with ChatGPT, the fastest-growing app in history. In this course, you'll learn how AI tools boost productivity, streamline tasks, and give you a competitive edge. Whether you're an experienced professional or just starting out, you'll gain practical skills to harness AI and achieve your goals faster.

Course Fee: \$195
Available Online Only: Sept. 8-Oct. 2

Intermediate AI

Dive deeper into the fascinating world of AI. Explore machine learning algorithms, natural language processing, and neural networks while gaining hands-on experience with popular AI frameworks and tools. Take your AI expertise to the next level!

Course Fee: \$245
Available Online Only: Oct. 5-30

New! Accounting for Nonprofits

Learn the fundamentals of fund accounting, including how to build a chart of accounts for nonprofits. Explore the nonprofit accounting equation, record transactions, and track allocated funds.

Course Fee: \$245
Available Online Only: Oct. 5-30

New! Financial Statements

Learn about the three primary financial statements used by nonprofit organizations: the statement of activities, statement of financial position, and statement of functional expenses. Participants will also learn how to prepare a cash flow statement.

Course Fee: \$245
Available Online Only: Nov. 2-27

New! BOOKKEEPING FOR NONPROFITS CERTIFICATE

Register for the certificate option and receive a discounted rate for all three Bookkeeping for Nonprofits courses. Certificate administered by UGotClass®

Certificate Fee: \$495

AI Planning and Strategies

Develop effective AI strategies to solve complex problems across various industries. Gain practical insights into how AI can be harnessed to enhance efficiency and drive innovation. By the end of the course, you will have the skills to create robust AI planning solutions that can adapt to dynamic environments and meet organizational goals.

Course Fee: \$195
Available Online Only: Nov. 2-27

ARTIFICIAL INTELLIGENCE CERTIFICATE

Register for the certificate option and receive a discounted rate for all three AI courses. Certificate administered by UGotClass®.

Certificate Fee: \$495

Beginning Conversational Spanish

Designed for beginners, this course will have you speaking and reading Spanish in no time. You will practice the basic building blocks of the language and common idiomatic expressions. You will know enough vocabulary and grammar for simple conversations, and you will learn how to ask and answer questions. Whether you speak some Spanish and need a refresher, or no Spanish, you will complete the course with the skills to communicate in Spanish.

Course/Certificate Fee: \$290
Available Online Only: Sept. 8-Oct. 30

BEGINNING CONVERSATIONAL SPANISH CERTIFICATE

Certificate administered by UGotClass® upon completion of Beginning Conversational Spanish course.

Understanding Debits and Credits

In this course, you will learn about the accounting equation and the five categories involved in every business: assets, liabilities, owner's equity, revenue and expenses. Every financial transaction falls into one or more of these categories. Learn how to create a chart of accounts that meet the needs of your business. You will learn how double entry bookkeeping works and the process of recording debits and credits. This course will show you how to identify, analyze and record transactions using journal entries under the cash basis accounting method.

Course Fee: \$195
Available Online Only: Sept. 8-Oct. 2

General Ledger and Month End Procedures

In this course, you will learn how to post journal entries to the correct general ledger accounts impacted by each transaction. This course will show you how to make sure your general ledger balances at the end of each month by preparing an unadjusted trial balance. You will learn how to look for errors when you don't balance and how to determine to correct entries. After posting correcting entries and/or adjusting entries, you will verify debits and credits equal with an adjusted trial balance. This course also goes through the steps of performing monthly bank reconciliations.

Course Fee: \$195
Available Online Only: Oct. 5-30

Spanish for Medical Professionals

Designed for healthcare professionals, this Spanish course helps bridge communication gaps with Spanish-speaking patients and their families. Whether you are a beginner or just need a refresher, you will learn practical language skills and essential medical vocabulary and gain cultural insights to support quality care and confident communication. Students will be required to purchase a textbook.

Course/Certificate Fee: \$290
Available Online Only: Sept. 8-Oct. 30

SPANISH FOR MEDICAL PROFESSIONALS CERTIFICATE

Certificate administered by UGotClass® upon completion of Spanish for Medical Professionals.

Closing Procedures and Financial Statements

This course shows you how to create a worksheet used to adjust account balances and prepare financial statements. Use your financial statements to measure performance, make improvements and set goals. The final step covered in this course is closing your books and preparing them for the next accounting period; this is done by journalizing and posting closing entries.

Course Fee: \$195
Available Online Only: Nov. 2-27

BOOKKEEPING CERTIFICATE

Register for the certificate option and receive a discounted rate for all three Bookkeeping courses. Certificate administered by UGotClass®.

Certificate Fee: \$495

ONLINE CERTIFICATE OPPORTUNITIES (CONT.)

Mastering Microsoft Excel

A must-have skill to succeed in business, whether an entrepreneur or a valued employee, is the ability to create, edit, and manage spreadsheets. Examine the life of an Excel worksheet and workbook, from creation to presentation. Learn how an Excel worksheet is constructed, populated with content and edited for delivery. Master the options that can take your Excel worksheet from plain, drab numbers to exciting and engaging multimedia.

Course Fee: \$195
Available Online Only: Sept. 8-Oct. 2

Intermediate Excel

Have you ever wondered why Excel is one of the most powerful applications used today by many businesses? This course will help you increase your efficiency by learning how to organize, display, and calculate your data into useful information. Find out how you can consolidate your data proficiently into readable rows and columns using different table designs and styles. Create a unique style for yourself to improve your spreadsheet appearance to make the content easier to understand for your target audience. Discover how easily pivot tables can be created to quickly summarize large amounts of data.

Course Fee: \$195
Available Online Only: Oct. 5-30

New! Excel Performance and Tools

Every day, business decisions shape the data we use and the financial outcomes we achieve. This Advanced Excel course introduces tools to help you build accurate worksheets, validate data, and uncover answers to complex questions. You'll learn how to protect your data, reduce errors, and work with confidence. By the end of the course, you'll be able to present your data clearly and effectively, turning it into meaningful insights.

Course Fee: \$195
Available Online Only: Nov. 2-27

MASTERING EXCEL CERTIFICATE

Register for the certificate option and receive all three Excel courses for a discounted rate. Certificate administered by UGotClass®.

Certificate Fee: \$495

Advanced Excel Functions

Take your Excel skills to the next level! Go beyond the basics and equip yourself with advanced functions to efficiently analyze and manipulate data. Explore how these tools can be applied in various contexts to enhance your productivity and generate deeper insights.

Course Fee: \$195
Available Online Only: Sept. 8-Oct. 2

INDUSTRY-ALIGNED CREDENTIALS THAT CAN LEAD DIRECTLY TO JOBS

Certain professional development and educational offerings at SIUE may offer learners the opportunity to earn a corresponding alternative digital credential to demonstrate their competency in or mastery of a given topic. SIUE's alternative digital credentials can be shared via social media, LinkedIn, personal websites, and other electronic formats. Alternative digital credentials enhance an individual's employment competitiveness by highlighting and defining their abilities relative to in-demand skills in their field or related skills that contribute to an employee's overall ability to thrive and adapt in a changing workplace. Only learners who successfully demonstrate the required competencies as defined in the course rubric will earn the alternative digital credential.

Contact altcredentials@siue.edu for more information.

Foundations of Data Science

The Foundations of Data Science industry-aligned credential is awarded to earners who successfully complete Spreadsheet Software and Data Fundamentals; Descriptive Statistics; Inferential Statistics-Hypothesis Testing; and Inferential Statistics-Regression, ANOVA and Forecasting.

Course Fee for all four credentials: \$1,500
Course Fee for individual credentials:
• Spreadsheet Software and Data Fundamentals \$200
• Descriptive Stats: \$300
• Probability Theory, Inferential Statistics and Hypothesis Testing: \$400
• Inferential Statistics-Regression, ANOVA and Forecasting: \$600
Rolling Enrollment
Online

INDUSTRY-ALIGNED CREDENTIALS (CONT.)

Data Science and Its Applications

The Data Science and Its Applications industry-aligned credential is awarded to earners who successfully complete Inferential Statistics-Hypothesis Testing; Inferential Statistics-Regression, ANOVA and Forecasting; Power BI and Real-time Dashboards; Intro to R; Applications of R; Machine Learning and Predictive Modeling in R; Intro to Python; Data Analysis in Python; and Machine Learning in Python.

9 credentials for the Data Science and Its Applications collection: \$3,700

Course Fee for individual credentials:

- Power BI and Real-Time Dashboards: \$300
- Intro to R: \$300
- Applications of R: \$300
- Intro to Python: \$300
- Data Analysis in Python: \$300
- Machine Learning and Predictive Modeling in R: \$600
- Machine Learning in Python: \$600
- Probability Theory, Inferential Statistics, and Hypothesis Testing: \$400
- Inferential Statistics – Regression, ANOVA, and Forecasting: \$600

Rolling Enrollment
Online

21st Century Digital Citizenry

The 21st Century Digital Citizenry credential provides learners with a comprehensive foundation in essential digital skills, combining four key areas: computing fundamentals, word processing, data management, and digital presentation. Participants will gain practical knowledge of modern technology and its professional applications, including computer hardware and software, digital communication, cybersecurity, cloud computing, and artificial intelligence. Through hands-on training in Microsoft Word, Excel, and PowerPoint, learners will build proficiency in creating documents, managing data, and designing effective presentations.

Course Fee for all four credentials: \$225

Course Fee for individual credentials:

- Digital Citizenry and Computing: \$29
- MS Word Basics: \$59
- MS Excel Basics: \$99
- MS PowerPoint Basics: \$59

Rolling Enrollment
Online

Interpersonal Communications

The Interpersonal Communication credential is a valuable asset for professionals across careers. The curriculum provides training in message formation and delivery, listening, perception, awareness of verbal and nonverbal codes, and managing conflict. Competency is assessed via quizzes. Learners who complete this credential have demonstrated knowledge and familiarity with the principles and practices of interpersonal communication. For learners with three or more years of valid work or volunteer experience where interpersonal communication is an essential and significant part of the role, this digital credential may be used as credit for prior learning at SIUE.

Course Fee: \$25 for each individual credential, \$149 for the series
Rolling Enrollment
Online

Public Speaking

The Public Speaking credential is awarded to learners who successfully complete the following modules: audience analysis, ethics and public speaking, informative speeches, introductions and conclusions in public speaking, listening in public, persuasive speeches, speaking with confidence, special occasion speeches, speech delivery, and supporting your ideas in public speaking. For learners with three or more years of valid work or volunteer experience where public speaking is an essential and significant part of the role, this digital credential may be used as credit for prior learning at SIUE.

Course Fee: \$189
Rolling Enrollment
Online

Custom Training Options for Regional Employers

SIUE’s alternative digital credential offerings can be customized to meet your business’s specific training requirements, including options for the development of new courses and modules. Financial support for training costs may be available. To learn more about how our faculty and staff can help your organization train, retain, and upskill your workforce, please contact altcredentials@siue.edu for more information.

CONTINUING EDUCATION FOR LICENSED PROFESSIONALS

siue.edu/professional

SIUE is an approved CEU provider by the State of Illinois for Social Work continuing education. If you are licensed/certified in any other state or province, please refer to the regulations in that state/province or the national board requirements to determine whether this will qualify for CEU credits.

Impact Suicide Webinar

Please join us for presentations that will speak about suicide prevention as it relates to digital mental health. The topics will cover a wide array of information that will be helpful to professionals and the general public alike. Course Fee: \$3,611.25

NX11 Intermediate:
Advanced Design and Assembly Management
Course Fee: \$3,611.25

EDUCARD

Do you want the opportunity to explore possibilities of professional growth or personal enrichment in an economical and flexible way?

If you answered “Yes,” we invite you to sit in on regular classes at SIUE through our Educard Program. Educard is a special community program that allows you to attend selected credit classes offered by SIUE. It provides an opportunity for you to sample the subjects that interest you most. Anyone who is not currently enrolled for credit in the University is eligible for Educard. High school students are eligible and may take up to three classes.

Which classes are approved for Educard participation?

For a full list of classes, please visit siue.edu/cougarnet and click “Class Registration,” followed by “Browse Course Catalog.” Select the upcoming term and search any subject you would like. Classes not offered through Educard are classes with a full enrollment, noncredit courses, travel study, distance education, classes in which a danger may exist, classes requiring prerequisites, and classes where added direct expense may be incurred by the University.

What is not included?

- You will not receive a grade as an Educard participant.
- No official records of your classwork or attendance will be kept; therefore, no transcript is available.
- Since you do not pay normal student welfare and activity fees, you may not participate in student services and activities supported by those fees.

What about textbooks?

Educard participant may borrow textbooks, as available, at no cost through Textbook Service. You may pick up your textbooks after the first week of classes, and you are required to return textbooks to Textbook Service at the end of the term.

What is the fee?

\$60 per class

Register for Educard

- Online: siue.edu/educard
- In person: Rendleman Hall, Room 1330, Monday-Friday, 8 a.m.-4:30 p.m.
- Please do not mail payment

ONLINE SERVICES AND EDUCATIONAL OUTREACH POLICIES

Cancellation/Refund Policy

All cancellation/refund requests must be made in writing and emailed to outreach@siue.edu. Cancellation/refund requests must be received at least five business days prior to the first day of any conference, course or event, unless otherwise specified. A refund, minus a \$15 administrative fee, will be processed as long as the above terms are met. If you have questions regarding this policy, please contact us at 618-650-3210 or outreach@siue.edu.

Parking on Campus

Unless otherwise specified, parking is included in the cost of courses held on weekdays on the SIUE Edwardsville campus. Parking is not included for the Lifelong Learning speaker series. A reduced price is available at checkout for participants who do not need parking or prefer to pay for parking on their own. Parking passes will be emailed to paid registered participants; please provide a valid license plate number to avoid paying additional parking fines. The printed pass must be displayed on the dashboard of the registered vehicle and is valid only during the times of the course. A 30-minute grace period is extended for travel to and from the meeting location.

Accommodations

The Office of Online Services and Educational Outreach is committed to providing universally accessible services and opportunities throughout our programming. If you need assistance or an accommodation, please contact our office: 618-650-3210, outreach@siue.edu or by mail (Online Services and Educational Outreach, Box 1084, Edwardsville, IL 62026) upon registration and/or at least three days prior to the offering to allow us time to accommodate your needs.
