ONLINE SERVICES & EDUCATIONAL OUTREACH

SPRING 2026 CATALOG

ENRICHING + EMPOWERING + ENGAGING EDUCATION *for all*

SPRING FOCUS

Spring is finally peeking around the corner, and we’re more than ready for it! After months of cold and gray, this season reminds us that fresh starts aren’t just poetic; they’re real, tangible, and right on time. The world wakes up a little, the trees stretch again, and our whole community seems to take a deeper breath.

The Online Services and Educational Outreach (OSEO) team feels that same spark. Spring pushes us to imagine what’s next for our learners, our partners, and the communities we serve. Whether you’re joining us for the first time or returning like the VIP you are, consider this catalog your invitation to step into something new.

Inside, you’ll find programs designed to spark curiosity, strengthen skills, and open doors at any stage of your learning journey. Maybe you’ll discover a class that reignites an old passion. Maybe you’ll encourage someone you love to take a next step. Or perhaps this is your moment to explore offerings at The Campus in Belleville or make the short trip to The Wedge powered by SIUE in Alton, where community energy is already buzzing.

Be sure to check our website and social channels — we’re adding new opportunities all spring long, and you won’t want to miss what’s ahead. Local employers, that includes you; exciting partnership news is on the way.

From all of us in OSEO: thank you for choosing to learn, grow, and explore with us. Here’s to new possibilities, meaningful challenges, and a spring filled with hope.

Warmly,
The Online Services and Educational Outreach Team

ONLINE REGISTRATION

Follow the steps below to create an account and register for Online Services and Educational Outreach Programs.

1. Create an account.

If this is your first time registering for a membership, trip or non-credit course online, you must create an account.

- Go to: <https://www.enrole.com/siue/>
- Click on “Sign In/Create Acct” in the left navigation menu.
- Select “Create Account” and proceed to enter your information.
- Be sure to select “Yes” to receive emails and mailings from us with information about upcoming programs.
- Also, you will want to select “Individuals” before clicking “Submit” at the bottom of the page.

2. Add items to your cart.

After you have created an account or logged in, use the navigation on the left to select which category/courses/memberships/trips you want to add to your cart. Once you find the item you want to add, click “Add to Cart.”

- If your course is hosted on the SIUE Edwardsville campus, there may be parking charges included. Select “Registration Fee – Without Parking,” if you either would not like to pay for a parking pass or are associated with the University and have a University hang tag. Select “Registration Fee – Parking Included” if you would like to obtain a parking pass for the duration of the offering.
- From here you may either continue shopping or check out. If you are registering for a course that requires a promo code, you may enter it on this screen. Follow the prompts on the subsequent screens.

3. Completing your registration.

In your shopping cart, you should see your name under “Attendee List” and under the item(s) for which you are registering.

- If there is more than one member of your household attending, you may register both people for the event at the same time by clicking “Add Another Attendee” at the bottom of the page.
- You may also add additional programs and register for all the programs in which you are interested at once. Clicking “Submit Order,” you will be redirected to the CashNet payment portal.
- Please enter your credit card information to complete your registration and click “Continue Checkout” at the bottom of the page.
- You will be redirected to a review page where you can review your order before finally submitting your order.
- Your order is not placed until you finalize your registration and are taken to a page with “Thank you. Your order has been placed.” at the top of the page.

For any issues with registration or payment, please call 618-650-3213 to receive assistance.

2026 SUMMER CAMPS

Ready for a summer of discovery?

SIUE invites students of all ages the opportunity to engage in hands-on learning and creative fun on campus. Offered by the Office of Online Services and Educational Outreach and led by expert faculty and staff, our camps open doors to new interests and bright futures for all. Build skills, make friends, and have fun while learning something new this summer!

Browse a full list of summer camps, view registration details, and more.

siue.edu/summer

All dates and offerings are subject to change. Please check the website for final information.

JUNIOR COUGARS AT COLLEGE!

Whether your junior Cougar is exploring new interests or already dreaming of a future career, our Junior Cougars at College courses gives them the chance to discover passions, build skills, and learn about a wide range of career paths. We also offer sessions designed just for you so you can also learn as they grow. Join our campus staff and community partners for engaging programs that introduce new ideas, hands-on experiences, and exciting opportunities to learn together.

Belleville Campus Banking Basics for Students

This course provides advice, guidance, and perspective that will help students make the most out of their money. This easy-to-understand course covers different financial topics and offers handouts and assessments to start on the road to financial well-being. Students will learn about the importance of money management, saving, creditworthiness, and safeguarding financial information. We will review basic banking terms and concepts, the relationship between income and expenses, savings and spending plans, and ways to invest and grow money to build a stable financial future.

*Course Fee: Free
Tuesday, 6-7:30 p.m., April 14
SIUE Belleville Campus*

OFF-CAMPUS AND CORPORATE PARTNERSHIPS

siue.edu/corporate

Corporate Affiliates Pilot Program

SIUE offers a pilot program for corporations, non-profits, and government agencies that provides tuition reimbursement to employees. Through a simple contract between the employer and SIUE, employees receive a waived application fee, a tuition discount, and concierge service such as registration help, a dedicated contact for questions that may arise, and assistance navigating a return to the classroom for busy working adults. If your company offers tuition reimbursement and you're not already receiving this benefit, contact our office today to discuss this exciting new opportunity because openings are limited!

Traditional Corporate Partnerships

SIUE partners with organizations to offer educational and training opportunities for their employees. Through a unique contractual agreement, credit and non-credit opportunities are available to your staff so they can earn advanced credentials without ever receiving a bill from SIUE. Partnership students benefit from curriculum specifically designed for the working professional. If you do not see your employer on this list, we will be pleased to work with your human resources department to add your organization to our growing list of partners who recognize the value of investing in their employees' professional development.

For more information, please contact:

Lacey Wieseman
Assistant Director of Off-Campus and Corporate Partnerships

PERSONAL DEVELOPMENT

CAREERS IN WATER TREATMENT TECHNOLOGY SIUE ENVIRONMENTAL RESOURCES TRAINING CENTER

Water Quality Control Operations Program

Program Cost: \$9,900

siue.edu/ertc

PROGRAM

The SIUE Environmental Resources Training Center (ERTC) Water Quality Control Operations Program is a one-year, full-time program of study leading to a certificate of completion. Classes meet Tuesday-Friday for nine months starting in mid-August each year. During the summer, students complete a 10-week internship program where they work five weeks at a drinking water treatment plant and five weeks at a wastewater treatment plant.

Upon completion of the full-year program, students are qualified to enter the water and wastewater industry as water operators, wastewater operators, distribution/collection workers, laboratory technicians, or maintenance workers all for less than \$10,000.

FACILITIES

The ERTC facility provides students with two fully equipped wet chemistry teaching labs, classrooms, auditorium, library/computer center, 30,000 gallon/day training-scale drinking water and wastewater treatment plant, and the 0.5 million gallon/day SIUE University wastewater treatment plant.

CERTIFICATIONS

Students are eligible to take Illinois and Missouri certification exams to become certified as drinking water and wastewater operators-in-training. Upon completion of the ERTC program, graduates are eligible for full certification.

Contact the Environmental Resources Training Center for more information.

ertcinfo@siue.edu | 618-650-2030

siue.edu/personal-development

CREATIVE ARTS

Beginning Drawing

Drawing is a skill that can be developed with practice. You will learn how to draw with proper techniques and discover how to represent what you see through studies in contour drawing, perspective, positive/negative space, and value.

Course Fee: \$59
Mondays, 5-6:30 p.m., Feb. 3-March 10
Online via Zoom

This course gave me additional skills while not being too overwhelming for someone who doesn't draw all the time.

- ADRIANA M.

“ ”

Intermediate Drawing

For those with some drawing experience, you will refine and expand your drawing and observation skills.

Course Fee: \$59
Wednesdays, 5-6:30 p.m., Feb. 4-March 11
Online via Zoom

Learning to Knit: Two Sticks and a String

Learn to knit in a relaxed environment. We will discuss yarn and tool selection, and you will learn basic stitches and how to read a pattern while completing a simple project. Don't be scared! It's just string!

Course Fee: \$89*
Tuesdays and Thursdays, 6-8 p.m., April 7-23
SIUE Edwardsville Campus

Watercolor Techniques

In this fun six-week course, you will be introduced to the technical aspects of watercolor painting and best practices for utilizing this medium. You will learn about different types of watercolor supplies. Alongside the guidance of your instructor, you will put these new skills to work in a variety of ways so that you can best utilize watercolor in your own practice.

Course Fee: \$109*
Tuesdays, 3:30-5:30 p.m., Feb. 3-March 10
SIUE Edwardsville Campus

Open Studio Painting: Watercolor

Whether you are a beginner or advanced painter, this class offers you the flexibility to undertake watercolor projects of your own interest with the guidance of an instructor. Unlike the other watercolor courses, this class is student-led, creating space for you to decide what to create and learn from your instructor. Through this course, you may focus on landscapes, portraits, drafting skills, technical aspects, and anything else based in watercolors. It's time to complete those watercolor projects you've always wanted to tackle and refine those skills!

Course Fee: \$109*
Tuesdays, 3:30-5:30 p.m., March 24-April 28
SIUE Edwardsville Campus

Oil Painting Landscapes: Beginning and Intermediate

This visual arts course will focus on bringing landscapes to life through oil painting. Your instructor will facilitate explanations of fundamental painting elements as you work, as well as give some examples of different styles used in history to paint the great outdoors. As you move through this course, you will work on projects that interest you while you receive helpful feedback to improve your painting skills. Supply lists will be provided for you to purchase your own supplies.

Course Fee: \$109*
Tuesdays, 6-8 p.m., Feb. 3-March 10
SIUE Edwardsville Campus

Open Studio Painting

Whether you are a beginner or advanced painter, this class offers you the flexibility to undertake projects of your own interest with the guidance of an instructor. Throughout the class you will work at your own pace in your chosen painting medium of watercolor, oil, or acrylic. Your instructor will offer helpful tips to the class and individual instruction and guidance. Let us complete those projects you've always wanted to paint together!

Course Fee: \$109*
Tuesdays, 6-8 p.m., March 24-April 28
SIUE Edwardsville Campus

Introduction to Metalsmithing and Jewelry

This 4-week beginner-friendly course introduces students to the core skills of metalsmithing. In this hands-on class, you'll explore the fundamentals of metalworking while learning how to transform raw materials into wearable works of art. Step by step, you'll practice core techniques such as sawing, soldering, stone setting, texturing, and polishing, building both skill and confidence at the bench.

Course Fee: \$169*
Fridays, 6:30-8:30 p.m., Feb. 27-March 27
SIUE Edwardsville Campus

Intermediate Fabrication and Soldering

Designed for students with prior metalsmithing experience, this course takes a deeper dive into fabrication and soldering techniques. Each week builds on fundamental skills to introduce more complex joins, multiple-component construction, and advanced problem-solving at the bench. Projects will emphasize precision, clean solder seams, and creative design, giving students the confidence to tackle more ambitious work.

Course Fee: \$169*
Fridays, 6:30-8:30 p.m., April 10-May 8
SIUE Edwardsville Campus

CREATIVE ARTS (CONT.)

Printmaking: Beginning and Intermediate

In this course, you will explore relief, intaglio, and monotype printmaking techniques. Whether you are an experienced printmaker or a beginner, this course welcomes you to develop new or refine existing printmaking skills. You may work on a single project or bounce between multiple works in progress. The instructor will provide you with guidance and support throughout the course.

Course Fee: \$129*
Saturdays, 10 a.m.-1 p.m.
Three Sessions Available:
Feb. 7-28
March 21-April 4
April 11-May 2
SIUE Edwardsville Campus

Tie-Dye Hearts

Join Ms. Bonnie for a colorful introduction to the art of tie-dye. You will learn how to mix fiber-reactive dyes, prep fabric or garments, use folding techniques to create striking patterns like hearts, spirals, spiders, and geodes, and properly rinse items to keep colors bright and vibrant. Open to students 12 years and up.

Course Fee: \$50
Saturday, 11 a.m.-1 p.m., Feb. 7
Macoupin Art Collective, Staunton

DIY Home: Ceramic Easter Deviled Egg Plate

Be the talk of your family's holiday gathering with this adorable and functional ceramic deviled egg plate. You will learn simple slab, carving, and underglaze techniques, how to use a variety of tools, and gain an understanding of clay and its properties. You will make one ceramic plate in class, hand-paint the decorations with underglaze, and finish the plate with a clear glaze to prepare it for a once-firing process. Snacks and drinks are encouraged! Open to students 13 years and up.

Course Fee: \$50
Friday, 6-9 p.m., March 13
Macoupin Art Collective, Staunton

Wet Felted Bird Houses

Join us to learn about wet felting! Beginners are welcome to attend and learn the basics of this technique, which creates a fabric by combining soap, water, loose wool fibers, and agitating them to produce a solid felted piece. This will be molded into the shape of a birdhouse that will last many years outside. Bring your favorite piece of driftwood to create a unique handle to hang on the house. Open to students 13 years and up.

Course Fee: \$40
Saturday, 11 a.m.-1 p.m., April 11
Macoupin Art Collective, Staunton

DIY Home: Ceramic Flower Bee Cups

Miss Ruthie will teach you how to create flower-shaped bee cups for your garden. You will learn simple hand-building and pinch pot techniques, how to use a variety of tools, and gain an understanding of clay and its properties. You will make as many cups as time allows, decorating and glazing them for a once-fire process in the kiln. Snacks and drinks are encouraged! Open to students 13 years and up.

Course Fee: \$50
Friday, 6-9 p.m., May 1
Macoupin Art Collective, Staunton

CULINARY ARTS

INTERNATIONAL CLASSIC DISHES AT HOME

Are you looking to expand your culinary skills? Are you eager to explore international cooking, introduce global ingredients into your pantry, and learn how to cook your favorite international restaurant dishes at home? These classes are designed for you to learn how to prepare classic international dishes at home and learn more about the global cultures behind each dish. Recipe packets are included. Cook along with the instructor or simply watch and learn!

All courses are offered online via Zoom. Interested in attending the full course series? Receive a \$20 discount when you register for the entire series.

Course Fee: \$149
Monday-Wednesday, 5-8 p.m., April 6-8

HOBBIES AND MORE

Yoga for Beginners/Intermediate

This class is for the experienced beginner who is ready for a gentle challenge. Class will begin with a gentle warm-up, transitioning into a flow that syncs our movement with our breath, and ending with a restorative pose to relax and stretch. Instructor: Louise M. Hamlin-Laird, E-RYT 200, E-RYT 500, YACEP.

Course Fee: \$90 for 10-week session;
Drop-ins welcome at \$15 per session
Wednesdays, 10-11 a.m., Feb. 4-April 8
East Alton Public Library, East Alton

Rise and Shine: Yin to Flow

Experience the benefits of early morning yoga as you stretch and strengthen your body, awaken and refresh your mind, and nourish your spirit. Our practice will focus on the synchronization of movement and breath. You will build endurance, strength, flexibility, and mental focus; and leave feeling energized, refreshed and ready for anything the day has in store. Options to make this class more accessible while keeping it challenging will be given. This class may use optional weights. Instructor: Louise M. Hamlin-Laird, E-RYT 200, E-RYT 500, YACEP.

Course Fee: \$90 for 10-week session;
Drop-ins welcome at \$15 per session
Saturdays, 9-10 a.m., Feb. 7-April 11
Immanuel Methodist Church, Edwardsville

*Parking is included. Participants who will not utilize SIUE parking will pay a reduced rate at checkout.

Wisdom Qigong Meditation

Wisdom Qigong meditation is a practice that benefits one’s physical, mental, and emotional well-being. Qi, pronounced “chee,” is our life energy, and gong means “to cultivate.” Using a holistic and systematic approach to enhance our qi, we deepen the unified connection of the physical, emotional, and mental aspects of ourselves. This is done by learning and practicing specific chanting practices and guided silent meditations. Deeper body, mind, and emotional connection created by Wisdom Qigong is beneficial in areas of balanced emotions, focus, sleep, pain management, and mental endurance.

Course Fee: \$79
Thursdays, 6-7 p.m.
Two Sessions Available:
Feb. 5-March 5
March 19-April 16
Online via Zoom

HOBBIES AND MORE (CONT.)

Introduction to Golf

Ever wanted to learn to golf or take your love of golf to the next level? This course is a great refresher for the recreational player or a must for new golfers. Join us to learn the game in a mixed group setting. Let our PGA Professionals and TPI Certified Fitness Trainers work with you on being better—physically and mentally—for the course. Training will take place at the practice facility, putting green, and on the course. Open to anyone 12 years and up. Please bring your own golf clubs!

Course Fee: \$169
Thursdays, 4-6 p.m., April 2-30
Sunset Hills Country Club, Edwardsville

Sunset Hills Country Club’s training facility is absolutely the best around. Instructor Jon DePriest is very knowledgeable of golf and explains the fundamentals and more very well. After completing this course, I shot the best round ever. My golfing buddies are super impressed with my game’s improvement.

– BRYON C.

“/”

Beekeeping 101

We will cover the basics of beekeeping in this three-week course. Topics will include bee biology, hive management, equipment, bee products, and more! This course will conclude with a student-led inspection of a bee colony. Please wear shoes with good support, jeans, and a long-sleeved shirt made from denim or another Bee jacket, Alexander veil, and gloves are required. Links to purchase them will be sent prior to class start.

Course Fee: \$69
Wednesdays, 6-8 p.m., April 1-29
Waterloo Bee Yard, Waterloo

Belleville Campus **The History of 20th Century Film**

Step back in time and watch history unfold on the big screen! This lively, no-homework course explores how movies have reflected and shaped the events, trends, and ideas of the 20th century. Each session focuses on a different era, pairing classic films with fascinating insights into the culture, fashion, and politics of the day. Whether you’re a lifelong movie buff, a history enthusiast, or just curious about the stories behind the silver screen, you will enjoy lively discussions, new perspectives, and plenty of popcorn-worthy moments.

Course Fee: \$59
Fridays, 6-8 p.m., Feb. 20-March 20
SIUE Belleville Campus

Belleville Campus **Stop the Bleed**

Trauma-related deaths account for approximately 40% of fatalities worldwide, with severe bleeding being the leading cause. Time is critical when someone is experiencing severe bleeding as they can succumb to their injuries in as little as five minutes. This training emphasizes the urgent need for bleeding control by containing blood loss. This course follows OSHA guidelines, covers identifying bleeding types, and identifies bleeding control techniques like applying pressure, wound packaging, and using a tourniquet. You will receive a printable certification upon finishing the course and passing the final exam.

Course Fee: Free
Two Sessions Available:
Wednesday, 10-11 a.m., April 1
Thursday, 5:30-6:30 p.m., April 2
SIUE Belleville Campus

Belleville Campus **Heartsaver® CPR/AED Certification**

Heartsaver® courses are designed for anyone with little or no medical training and cover first-aid basics for the most common first-aid emergencies. Hands-on training also prepares students to perform CPR and use an automated external defibrillator (AED) in a safe, timely and effective manner. A two-year certification card is issued upon course completion.

Course Fee: \$99
Two Sessions Available:
Wednesday, 1-4 p.m., March 4
Thursday, 5-8 p.m., March 5
SIUE Belleville Campus

Belleville Campus **Mental Health First Aid**

This course teaches you to recognize and respond to signs of mental illness and substance use challenges. You’ll learn how to offer initial support to someone (a loved one, community member, colleague, etc.) facing a mental health or substance use challenge or crisis. The course is led by trainers certified by the National Council for Mental Wellbeing. Enrolled participants must complete a required 2-hour online pre-work module before the morning of the scheduled in-person training. Each session will include two breaks and a one-hour lunch period. Participants who meet all requirements will receive a certificate of completion.

Course Fee: \$39
9 a.m.-4 p.m.
Five Sessions Available:
Thursday, Feb. 12
Thursday, Feb. 26
Thursday, March 5
Thursday, March 12
Thursday, March 19
SIUE Belleville Campus

Belleville Campus **Intermediate Italian**
Join us as we delve deeper into the Italian language, including grammar and syntax. To succeed in the course, a basic knowledge of the Italian language is required. The course will begin on Chapter 7 of the textbook, so the information within the first six chapters will need to be understood.

Course Fee: \$89
Mondays, 6:30-8 p.m., Feb. 2-April 6
SIUE Belleville Campus

This course helped me prepare for a trip to Italy by greatly increasing my reading skills. In addition, the verbal interactions with other students and the professor provided needed exposure to new Italian language skills. I was a bit nervous about taking the course, as I did not consider myself ‘advanced,’ but it was a great experience.
– MICHAEL A.

“/”

Belleville Campus **Advanced Italian**
If you already have knowledge of this beautiful language, this course is designed just for you! Join us as we continue our journey through learning the Italian language and delve deeper in grammar and syntax.

Course Fee: \$89
Mondays, 4:30-6 p.m., Feb. 2-April 6
SIUE Belleville Campus

Beginning Spanish

Do you want to learn Spanish? Beginning Spanish is the perfect place to start, as you will be introduced to the language even if you have little to no knowledge of it! This newly expanded course is offered in a hybrid format, where participants have the option to attend in person or via Zoom. While most classes will be offered in both formats, occasionally a class may be available only via Zoom.

Course Fee: \$89*
Tuesdays, 6-7:30 p.m., Feb. 2-March 10
Hybrid on SIUE Edwardsville Campus and via Zoom

Intermediate Spanish

This course is designed for those who have a foundational understanding of Spanish and are ready to expand their vocabulary, improve their grammar, and gain confidence in simple conversational settings. Through engaging dialogues, short readings, and cultural exploration, you will deepen your understanding of the past and simple future tenses. This newly expanded course is offered in a hybrid format, where you have the option to attend in person or via Zoom. While most classes will be offered in both formats, occasionally a class may be available only via Zoom.

Course Fee: \$89*
Tuesdays, 6-7:30 p.m., March 24-April 28
Hybrid on SIUE Edwardsville Campus and via Zoom

Conversational Spanish: Beginners 1 Intro Level

This course has been specially designed for those with little or no previous knowledge of the Spanish language. Having a good foundation is the key to making fast progress in your learning experience. This is a conversational course, so be ready to start speaking Spanish soon!

Course Fee: \$109
Mondays, 6-7:30 p.m., Feb. 9-May 11
(No class Feb. 16 and March 30)
Online via Zoom

Conversational Spanish: Beginners 2 Level

This class is ideal for those who have taken the introductory level courses or who have previous knowledge of the language and wish to develop better conversational skills. Join us as we journey deeper through the Spanish language. You will focus on live conversations in class. Written exercises and audios will be given as homework.

Course Fee: \$109
Mondays, 6-8 p.m., March 30-May 11
Online via Zoom

Everyday Japanese Elementary 1 Online: Let’s Speak in Japanese

This class is for those who are studying Japanese for the first time and want to start learning Japanese online in a casual way. This shortened format does not provide the same depth of study as the in-person course. Textbook information will be emailed approximately one week prior to the start of class.

Course Fee: \$59
Tuesdays, 7-8 p.m., Feb. 20-March 27
Online via Zoom

EVERYDAY JAPANESE

Let’s get started with Japanese! These courses are designed for beginners who wish to develop basic Japanese language skills. No need to know the Japanese characters. Textbook information will be emailed approximately one week prior to the start of class.

(No class on Feb. 16)
SIUE Edwardsville Campus

INTENSIVE ENGLISH PATHWAY

Strengthen Your English Skills

SIUE’s Intensive English Pathway (IEP) is a great resource for those who would like to strengthen their English skills and improve reading, writing, listening, and/or speaking through interactive classes. This program offers affordable classes to English language learners in multiple skill sets. Each semester, the IEP offers a variety of English language classes to suit learners’ needs. Courses run in eight-week blocks throughout the academic year and average 50 minutes per week.

Registration deadlines are one week prior to each session start date.

Visit siue.edu/iep for up-to-date information on course names and schedules. Contact Asha Mattan at amattan@siue.edu for more information.

Short Story Writing

Whether you have been wanting to explore creative writing or you have been doing it for years, this course will help you develop skills to write all types of stories. Have fun with the group, create your own short stories, and take the opportunity to share your work and receive feedback on how to make it even better. By the end of the class, you will have a story that you can submit to competitions and literary magazines or just share with friends and family.

Course Fee: \$69*
Wednesdays, 6-8 p.m., Feb. 11-March 4
SIUE Edwardsville Campus

Belleville Campus Screenwriting Bootcamp

If you are a movie or TV lover and have always wanted to try your hand at writing a script, this is your chance to make it happen. This course will look at the three core elements of screenwriting, including formatting, craft, and storytelling, and will explain how to use today's software. Work on a script for a short film, a feature, or a television drama or comedy, and have fun in the process!

Course Fee: \$59
Wednesdays, 6-8 p.m., Feb. 4-25
SIUE Belleville Campus

Belleville Campus Creative Writing

Do you have a story you would like to tell, but you are not sure where to start? Join us in exploring the many ways you can make that story a reality. In this course, you will look at fiction, creative nonfiction, and non-fiction narratives, examine the parts of a story, and learn how to develop them effectively. Whether this is your first time writing or you are an old pro, you will have a chance to hone your craft and have a lot of fun along the way.

Course Fee: \$59
Wednesdays, 6-8 p.m., March 4-April 1
SIUE Belleville Campus

Belleville Campus Writers Workshop

If you're familiar with the basics of narrative structure and you have a story project you are working on, or if you would like to start a new project, this workshop is for you! Each week, every writer will have a chance to receive thoughtful, useful notes on their projects from other group members in a supportive, encouraging environment. We will also discuss various facets of the storytelling process, so we continue to grow as writers.

Course Fee: \$59
Wednesdays, 6-8 p.m., April 8-29
SIUE Belleville Campus

LEARNING ON THE GO LIFELONG LEARNING EXPERIENCES

Mother Jones' Monument Tour

The Mother Jones Museum in Mt. Olive, Ill. honors the contributions of Mother Jones, the development of the Union Miners Cemetery, the United Mine Workers of America, the Progressive Miners and the Women's Auxiliary, and the impact of coal-mining, organized labor, and conflict in the stories of the families and workers who directly experienced these, and whose descendants work to keep their stories alive and relevant to today's world.

Wednesday, March 4, 10 a.m.-2 p.m.
Mt. Olive City Hall
Cost: \$12 for non-members;
\$15 for Lifelong Learning members

Museum of Mid-Century Modern Architecture / Blazier House

In November 2015, the Belleville Historical Society purchased the Terry and Thelma Blazier House at 8501 West Main Street (#6 Oak Knoll Place) in Belleville to serve as the Museum of Mid-Century Modern Architecture. Belleville architect Charles E. King designed the home for the Blaziers in 1952.

Wednesday, March 25
2 Tours: 10 a.m. and 2 p.m.
Belleville, Illinois
Cost: \$12 for non-members;
\$15 for Lifelong Learning members

Cahokia Mounds Tour

Explore the ancient legacy of the Mississippian culture on a guided tour of Monks Mound, the largest prehistoric earthwork in North America. Climb to the summit for a breathtaking view of the surrounding landscape and learn about the spiritual, political, and cultural significance of this UNESCO World Heritage Site. Along the way, your guide will share fascinating insights into the people who once called Cahokia home. This tour is a must for history lovers and curious explorers alike.

Wednesday, April 15, 10:30-11:30 a.m.
Collinsville
Cost: \$8 for non-members;
\$10 for Lifelong Learning members

Prohibition Tour

On this tour, you'll travel to locations affected by the death of John Barleycorn and meet some of the people most impacted by his demise. This tour includes stops at five different locations and concludes with a celebration to the end of prohibition. The tour begins and ends with a specially crafted Prohibition-era cocktail! Guests must be 21 or older to attend.

Wednesday, April 29, 2-5 p.m.
Alton
Cost: \$65 for non-members;
\$60 for Lifelong Learning members

LIFELONG LEARNING INSTITUTE

The SIUE Lifelong Learning Institute provides programs designed for a lifetime of learning and personal growth. Community members may join for a fee of \$45 for the semester.

- Benefits include:
- Admission to the Spring Speaker Series
 - Free (or reduced-price) trips and experiences
 - Courtesy borrowing privileges at Lovejoy Library
 - Discounts on non-credit courses.

Parking for the semester is available to Lifelong Learning Institute members for an additional \$25 per household. Non-members and members who do not wish to pay for a parking permit may pay at the meters at the noted rate.

SPRING SPEAKER SERIES

Speaker Series talks are included in Lifelong Learning Institute memberships. Non-members are welcome to attend individual sessions for \$5 each. Advanced registration is required.

The speaker series is designed for an in-person format with a virtual attendance option. All talks will be held at the Morris University Center on the SIUE Edwardsville campus unless otherwise noted. Locations and speakers are subject to change.

For a description of the scheduled talks, please visit siue.edu/educational-outreach.

Understanding Shia Islam: Faith, History, and Heart

Fatima Saba, PhD, SIUE Department of Philosophy
Wednesday, Feb. 4, 10:30 a.m.-1:45 p.m.
Redbud/Oak room, Morris University Center, 2nd Floor

Ancient Civilizations of Pre-Columbian Mexico

Ana Harris, SIUE Department of Foreign Languages and Literature
Wednesday, Feb. 4, 1:15-2:30 p.m.

Hickory/Hackberry room, Morris University Center, 2nd Floor

DNA For Detectives: Genetics in Criminal Investigations

Trish Oberweis, PhD, SIUE Department of Criminal Justice Studies
Wednesday, April 8, 1:15-2:30 p.m.
Hickory/Hackberry room, Morris University Center, 2nd Floor

Finding the Voice Within the Song

Mark Schapman, SIUE Department of Music
Wednesday, April 22, 10:30-11:45 a.m.
Mississippi/Illinois room, Morris University Center, 2nd Floor

Artificial Intelligence (AI) from a Social Work Perspective

Katie Kingery, Practicum BSW Student
Jessica Ulrich, MSW, LCSW, Instructor and Practicum Educator
Director, SIUE Department of Social Work
Wednesday, April 22, 1:15-2:30 p.m.
Mississippi/Illinois room, Morris University Center, 2nd Floor

Plagues R Us

Barb Kay, Former History Teacher; Owner, Living History Presentations
Wednesday, May 6, 10:30-11:45 a.m.
Mississippi/Illinois room, Morris University Center, 2nd Floor

Mason, Dixon, and Gravity: How Two Surveyors Mapped the American Frontier and Wound Up Weighing the Earth

Jack Glassman, PhD, Emeritus Professor, SIUE Department of Physics
Wednesday, May 6, 1:15-2:30 p.m.
Mississippi/Illinois room, Morris University Center, 2nd Floor

Whether you are starting college or looking to pursue an advanced degree, we have a test preparation course for you! These courses are offered in a variety of formats, from one-day to weekly, and are offered in a fully online format to better fit into your busy life. All courses are hosted online via Adobe Connect, which is free to download. Choose from one of the sessions below to get started.

ACT/SAT Strategy Workshop

Course Fee: FREE
Wednesdays, 8-9 p.m.
Four Sessions Available:
Jan. 28
Feb. 25
March 25
April 22

ACT Live - Online Prep Course

Course Fee: \$399
Three Sessions Available:
Tuesdays and Thursdays, 6-8 p.m.
• Jan. 15-Feb. 10
• May 15-June 9
Mondays and Wednesdays, 6-8 p.m., March 4-30

SAT Live - Online Prep Course

Course Fee: \$399
Five Sessions Available:
Mondays and Wednesdays, 6-8 p.m.
• March 4-30
• April 1-27
Tuesdays and Thursdays, 6-8 p.m.
• Feb. 12-March 10
• May 7-June 2
Sundays, noon-4 p.m., March 29-April 26 (No class April 5)

GRE Strategy Workshop

Course Fee: FREE
Wednesdays, 8-9 p.m.
Four Sessions Available:
• Jan. 14
• Feb. 18
• March 18
• April 15

GRE Live Online Prep Course

Course Fee: \$799
Four Sessions Available:
Mondays and Wednesdays, 6-9 p.m, March 25-April 20
Tuesdays and Thursdays, 7-10 p.m.
• Jan. 29-Feb. 24
• Feb. 26-March 24
• May 5-28

GMAT Strategy Workshop

Course Fee: FREE
Wednesdays, 8-9 p.m.
Two Sessions Available:
• Jan. 21
• May 13

GMAT Focus Live Online Course

Course Fee: \$899
Three Sessions Available:
Tuesdays and Thursdays, 6-9 p.m.
• Jan. 29-Feb. 17
• March 17-April 2
Sundays, 5-8 p.m., May 10-June 21 (No class May 24)

LSAT Strategy Workshop

Course Fee: FREE
Wednesdays, 8-9 p.m.
Three Sessions Available:
• Jan. 7
• Feb. 11
• April 8

LSAT Prep Course

Course Fee: \$899
Six Sessions Available:
Tuesdays and Thursdays, 7-10 p.m.
• Jan. 6-Feb. 5
• Feb. 26-March 31
• April 28-May 28
Sundays, Tuesdays, and Thursdays, 6-9 p.m.
• Jan. 13-Feb. 3
Mondays and Wednesdays, 7-10 p.m.
• April 20-May 20
Wednesdays, 6-9 p.m.
• Jan. 28-April 1

PROFESSIONAL DEVELOPMENT

siue.edu/professional

PROFESSIONAL DEVELOPMENT

Introduction to Quickbooks®

Learn basic accounting principles and how they are applied in the online version of QuickBooks®. We will introduce the software, set up business accounts, record transactions, produce reports and learn how QuickBooks Online can be customized to fit your business needs.

Course Fee: \$99

Digital Badge Fee: \$49 (additional to the course fee)

Tuesdays and Thursdays, 6-7:30 p.m., Feb. 5-March 5

Online via Zoom

ServSafe® Food Manager Certification

The ServSafe® Food Safety Manager course is for individuals preparing for the ServSafe® Food Safety Manager exam. After attending the ServSafe® class and passing the proctored, multiple-choice exam with a score of 75% or higher, participants will receive a ServSafe® certificate. All classes are taught by SIUE nutrition program faculty who are certified ServSafe® instructors. To receive and maintain certification, all individuals are required to pass a certification exam every five years. The course fee covers the cost of the most recent edition of the ServSafe® Manager book, online exam, and learning materials.

Course Fee: \$149

Friday, 8 a.m.-5 p.m., April 24

SIUE Edwardsville Campus

Social Media as Small Business

Do you own a business but have little to no social media presence? Does the idea of making a TikTok video make you want to run? This course is for you! Discover ways that you can propel your business in 2026 with social media. This course will discuss the most popular social media platforms, what demographic groups are watching, and how you can enter the wonderful world of promoting your business on social media without a professional photographer, no videographer, and little to no social media marketing experience. Learn how to position your business to cut through the noise on social media platforms and how to build your business brand and grow revenue.

Course Fee: \$300

Wednesday, 6-9 p.m., March 4

SIUE Belleville Campus

Introduction to Effective Stormwater Management

The necessity for awareness and proper management of stormwater runoff in our region is expanding. Stormwater runoff from rain and snowmelt harms our ecosystem by introducing pollutants like trash, chemicals and dirt into local creeks, streams, rivers, and lakes. This course provides an overview of how environmental regulations have evolved to address stormwater pollution to protect water quality. Educators attending this course will be introduced to fun, STEM-based education on green solutions in alignment with Illinois State Board of Education science standards following the Disciplinary Core Ideas Layouts of the Next Generation Science Standards. Five Continuing Education Credits (CEUs) will be provided after course completion.

Course Fee: \$59

Wednesdays, 4:30-5:30 p.m., March 18-April 1

SIUE Belleville Campus

Introduction to Change Management

Learn how to apply strategies, principles, and best practices related to change management. In this three-day class, you will learn how to navigate change in an organization effectively and understand the organization's needs and its impact on employees, processes, and business outcomes. This course is ideal for managers, HR professionals, and anyone supporting organizational changes. By the end of this course, you will have an introduction to and understanding of change management concepts and practical tools to implement change within your organization. More information about each session is available on the online registration page.

Course Fee: \$209

Tuesday and Thursday, 6-8 p.m., Feb. 3, Feb. 5, Feb. 19

Online via Zoom

Building Bridges: Essential Skills for Purposeful Engagement

Building Bridges is a six-week training series that builds your capacity to engage and support diverse communities. Sessions include SIUE Green Zone (military-connected individuals), Global Zone (international community), ACCESS Allyship (disability-inclusive spaces including Deaf/Hard of Hearing, Blind/Visually Impaired, and individuals with non-apparent disabilities), and conflict management with the IMPACT Center and Sustained Dialogue Institute. Each session blends awareness with practical communication and collaboration skills to help you create more inclusive, effective environments in any setting.

Course Fee: \$49

Fridays, 2-4 p.m., Feb. 6-March 27

SIUE Belleville Campus

DATA ANALYTICS

Introduction to Data Science: Data Analytics

Thanks to continuous improvements in technology, every industry is becoming progressively more data driven. Data analytics is the science and art of analyzing data and using that information to make informed decisions. This course introduces the foundational principles underlying data analytics and the tools often used by analysts to mine through and analyze “big data.” No specific background is required, although familiarity with Excel is helpful.

Course Fee: \$99
Rolling enrollment available to begin at any time during fall semester
Online via Zoom

Introduction to Data Science: Data Organization and Preparation for Analysis

The world is full of data. However, before that data can be analyzed and insights can be gleaned from it, data must first be organized, integrated, cleaned, and prepared for analysis. This course introduces the tools and techniques that you can use to format their data, leading to hassle free analyses. Excel will be used for all lessons, and you will leave the course with a knowledge of the different functions and tools in Excel. No background in Excel is required, although a basic familiarity with computers is helpful.

Course Fee: \$99
Rolling enrollment available to begin at any time during fall semester
Online via Zoom

GRANT WRITING

GRANT PROCESSES FOR NOVICES

Grant writing can be a daunting task. Join us as we learn how to navigate through grant writing with our presenters who have spent multiple years in grant administration and successfully obtained a variety of local, state and federal grants. Attend as many sessions as you would like or attend them all for a discounted rate of \$169.

Grant Writing for Novices

Obtain an overview of the four types of grants and the common elements found in grant proposals. Funding sources for each type will be reviewed, and various elements of proposals will be reviewed in detail.

Course Fee: \$49
Tuesday, 5:30-7:30 p.m., Feb. 3
SIUE Edwardsville Campus

Grant Funding for Novices

Websites and various search strategies to locate external funding opportunities will be reviewed. You will explore various opportunities and sites to identify potential funding sources in areas of interest.

Course Fee: \$49
Tuesday, 5:30-7:30 p.m., Feb. 17
SIUE Edwardsville Campus

Grant Budget Opportunity Interpretation for Novices

Join us in analyzing critical portions in funding opportunity announcements. You are welcome to bring specific questions related to funding opportunities you wish to pursue.

Course Fee: \$49
Tuesday, 5:30-7:30 p.m., March 3
SIUE Edwardsville Campus

Grant Budget Preparation for Novices

In this course, you will gain an overview of the budget development process and have an opportunity to develop a mock budget from a provided case study. You are welcome to bring specific questions related to the budgets of the funding opportunities you wish to pursue.

Course Fee: \$49
Tuesday, 5:30-7:30 p.m., March 17
SIUE Edwardsville Campus

“ The instructors were genuine, knowledgeable and extremely helpful. Access for help outside of class was encouraged and available. The tools and templates provided made it easy to move forward on my own afterwards. It was a very worthwhile investment of time!”

– CARLOS B.

WORKFORCE INNOVATION OPPORTUNITY ACT PROGRAM

Unemployed? Underemployed?

SIUE serves students through the Workforce Innovation and Opportunity Act (WIOA) Program.

SIUE works regularly with county and state employment and training agencies to help match eligible students with funding. Individuals who are unemployed, underemployed, or experiencing financial hardship may be eligible for support to complete their educational programs. Students must be seeking a credential in a high-demand employment field, be within two years or less of completing their degree, and meet local workforce criteria to qualify.

- If you are seeking employment in an in-demand field and are interested in learning more about funding opportunities that will help you complete an SIUE program, please contact us at outreach@siue.edu or reach out directly to your county provider:
- Madison County Employment and Training Department (Bond, Jersey, Madison and Calhoun Counties), 618-296-4301
 - St. Clair County Intergovernmental Grants Department Workforce Development Group (St. Clair, Monroe, Randolph, Clinton and Washington Counties), 618-825-3259
 - siue.edu/financial-aid/wioa

CONTINUING EDUCATION FOR LICENSED PROFESSIONALS

siue.edu/professional

SIUE is an approved CEU provider by the State of Illinois for Social Work continuing education. If you are licensed/certified in any other state or province, please refer to the regulations in that state/province or the national board requirements to determine whether this will qualify for CEU credits.

Understanding Dementia: Clinical Perspectives for Social Workers

Those who attend this social work conference are eligible to receive 3 CEU credits. For a full list of topics, speakers, and additional conference details, please visit our online registration page. <https://www.enrole.com/siue/>

Conference Fee: \$15
CEU Fee: \$35
Friday, April 10, 9 a.m.-noon
Online

Computer-Aided Design Courses

Courses are offered on a continuous basis in 10-week cycles online via Zoom. Please check the website for the most up-to-date information. All courses are three credits unless otherwise stated. Must complete introduction course to participate in the intermediate course.

CATIA V5 Intro:
Introduction to Solid and Assembly Modeling
Course Fee: \$3,611.25

CATIA V5 Intermediate:
Advanced Design and Assembly Management
Course Fee: \$4,792.50

INDUSTRY-ALIGNED CREDENTIALS THAT CAN LEAD DIRECTLY TO JOBS

Certain professional development and educational offerings at SIUE may offer learners the opportunity to earn a corresponding digital credential to demonstrate their competency in or mastery of a given topic. SIUE's alternative digital credentials can be shared via social media, LinkedIn, personal websites, and other electronic formats. Alternative digital credentials enhance an individual's employment competitiveness by highlighting and defining their abilities relative to in-demand skills in their field or related skills that contribute to an employee's overall ability to thrive and adapt in a changing workplace. Only learners who successfully demonstrate the required competencies as defined in the course rubric will earn the alternative digital credential.

Contact altcredentials@siue.edu for more information.

Foundations of Data Science

The Foundations of Data Science industry-aligned credential is awarded to earners who successfully complete Spreadsheet Software and Data Fundamentals; Descriptive Statistics; Inferential Statistics-Hypothesis Testing; and Inferential Statistics-Regression, ANOVA and Forecasting.

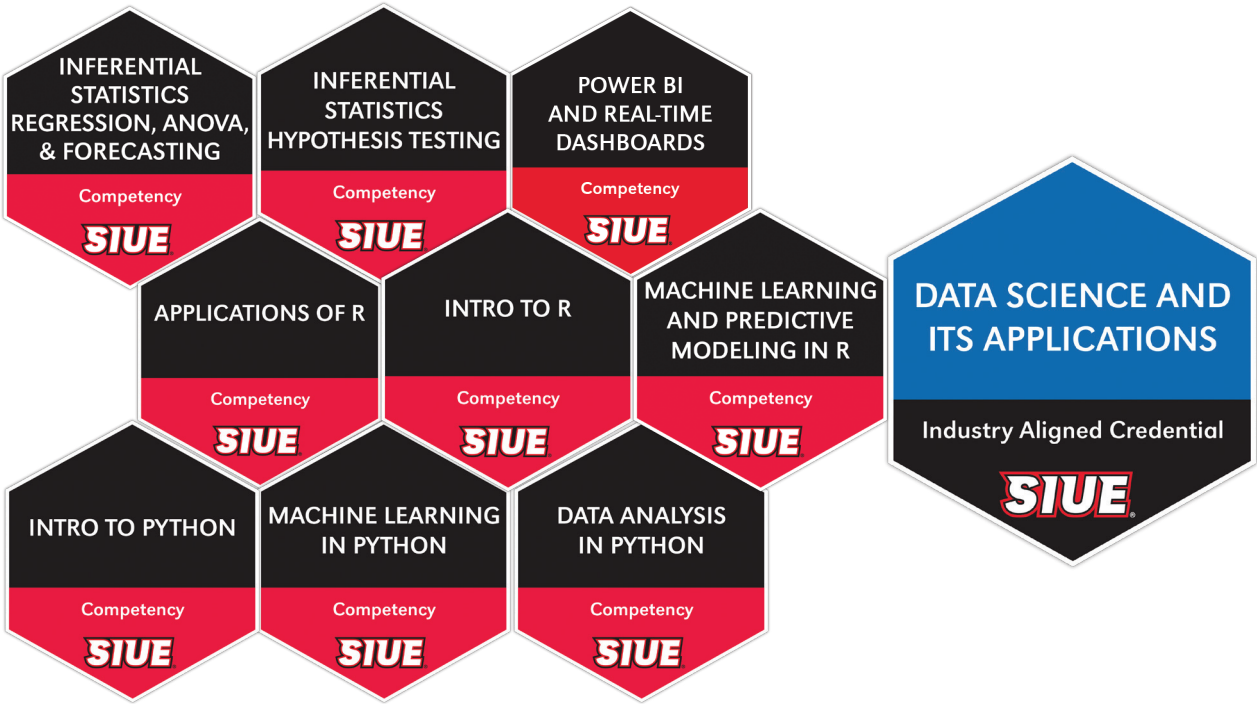

Course Fee for all four credentials: \$1,500
Course Fee for individual credentials:

- Spreadsheet Software and Data Fundamentals \$200
- Descriptive Stats: \$300
- Probability Theory, Inferential Statistics and Hypothesis Testing: \$400
- Inferential Statistics-Regression, ANOVA and Forecasting: \$600

Rolling Enrollment
Online

Alternative Digital Credentials at SIUE

Certain professional development and educational offerings at SIUE may offer learners the opportunity to earn a corresponding alternative digital credential to demonstrate their competency in or mastery of a given topic. SIUE's alternative digital credentials can be shared via social media, LinkedIn, personal websites, and other electronic formats. Alternative digital credentials enhance an individual's employment competitiveness by highlighting and defining their abilities relative to in-demand skills in their field or related skills that contribute to an employee's overall ability to thrive and adapt in a changing workplace. Only learners who successfully demonstrate the required competencies as defined in the course rubric will earn the alternative digital credential.

Data Science and Its Applications

The Data Science and Its Applications industry-aligned credential is awarded to earners who successfully complete Inferential Statistics-Hypothesis Testing; Inferential Statistics-Regression, ANOVA and Forecasting; Power BI and Real-time Dashboards; Intro to R; Applications of R; Machine Learning and Predictive Modeling in R; Intro to Python; Data Analysis in Python; and Machine Learning in Python.

9 credentials for the Data Science and Its Applications collection: \$3,700

Course Fee for individual credentials:

- Power BI and Real-Time Dashboards: \$300
- Intro to R: \$300
- Applications of R: \$300
- Intro to Python: \$300
- Data Analysis in Python: \$300

Community Health Worker Credential

For new healthcare professionals or for those wishing to enter the field of public health or other related healthcare fields, this training, offered through IPHA, is available to train community health workers. These online eight-week training sessions are designed to help cohorts of learners work in their communities and respond compassionately and equitably to the health concerns of the population. To learn more about the program or to apply, interested individuals must contact CHW101support@ipha.com.

Course Fee: FREE
Rolling Enrollment
Online

Interpersonal Communications

The Interpersonal Communication credential is a valuable asset for professionals across careers. The curriculum provides training in message formation and delivery, listening, perception, awareness of verbal and nonverbal codes, and managing conflict. Competency is assessed via quizzes. Learners who complete this credential have demonstrated knowledge and familiarity with the principles and practices of interpersonal communication. For learners with three or more years of valid work or volunteer experience where interpersonal communication is an essential and significant part of the role, this digital credential may be used as credit for prior learning at SIUE.

Course Fee: \$25 for each individual credential, \$149 for the series
Rolling Enrollment
Online

Public Speaking

The Public Speaking credential is awarded to learners who successfully complete the following modules: audience analysis, ethics and public speaking, informative speeches, introductions and conclusions in public speaking, listening in public, persuasive speeches, speaking with confidence, special occasion speeches, speech delivery, and supporting your ideas in public speaking. For learners with three or more years of valid work or volunteer experience where public speaking is an essential and significant part of the role, this digital credential may be used as credit for prior learning at SIUE.

Course Fee: \$189
Rolling Enrollment
Online

Custom Training Options for Regional Employers

SIUE’s alternative digital credential offerings can be customized to meet your business’s specific training requirements, including options for the development of new courses and modules. Financial support for training costs may be available. To learn more about how our faculty and staff can help your organization train, retain, and upskill your workforce, please contact altcredentials@siue.edu for more information.

WORKPLACE WELLNESS AND SOFT SKILLS

Workplace Wellness and Soft Skills

This alternative digital credential is awarded to learners who have completed a series of five in-person training sessions focused on essential soft skills for workplace wellness. Topics include conflict resolution, emotional intelligence, work-life balance, stress management, and workplace attitudes. Through active participation and successful completion of assessments in each session, learners have demonstrated comprehensive understanding and the ability to apply these skills in professional settings.

Full Program (all 5 courses + digital credentials): \$225
Individual Course: \$39 each
Digital Badge Fee: \$10 (additional to the course fee)

Workplace Emotional Intelligence

This course will explore the four-branch model of emotional intelligence abilities, with special application and emphasis on its role in the workplace. Prior to the in-person course, learners will fill out a self-report measure of their own perceived emotional intelligence as a point for reflection.

Course Fee: \$39
Digital Badge Fee: \$10 (additional to the course fee)
Wednesday, 6-8 p.m., Jan. 14
SIUE Edwardsville Campus and Online via Zoom

Conflict Resolution in the Workplace

Learners will be able to identify many of the most common sources of conflict and workplace conflict. They will understand their own conflict resolution style(s), and how they contribute to successful or unsuccessful conflict resolution. Participants will learn the importance and impact of vulnerability and developing trust for successful conflict resolution. Finally, they will be able to identify and implement better conflict resolution strategies.

Course fee: \$39
Digital Badge Fee: \$10 (additional to the course fee)
Wednesday, 6-8 p.m., Feb. 11
SIUE Edwardsville Campus and Online via Zoom

Foundational Work-Life Balance

Are you curious about wellness as a whole or would you like to know how your social, mental, physical and emotional wellbeing are interconnected? This course introduces the concept of overall wellness, which includes eight independent pillars of wellness that overlap, interact, and complement each other.

Course Fee: \$39
Digital Badge Fee: \$10 (additional to the course fee)
Wednesday, 6-8 p.m., March 18
SIUE Edwardsville Campus and Online via Zoom

Controlling Stress in the Workplace

Participants will be able to identify physiological effects of the stress response and understand predictors and consequences of high stress levels for employees. Learners will be able to identify personality strengths and weaknesses they possess in their relationship to coping with stress while developing realistic ideas for mitigating stress in their workplaces and lives.

Course Fee: \$39
Digital Badge Fee: \$10 (additional to the course fee)
Wednesday, 6-8 p.m., April 8
SIUE Edwardsville Campus and Online via Zoom

Workplace Attitudes

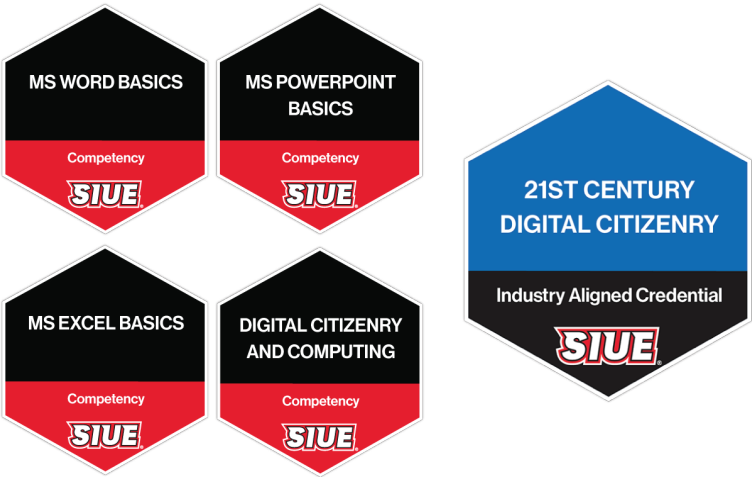

Participants will be able to identify and distinguish the workplace attitudes of job satisfaction, organizational commitment, perceived organizational support, and identity, as well as the motivational state of work engagement. Learners will also be able to identify both antecedents and consequences of workplace attitudes and engagement and develop realistic ideas for improving their attitudes.

Course Fee: \$39
Digital Badge Fee: \$10 (additional to the course fee)
Wednesday, 6-8 p.m., May 13
SIUE Edwardsville Campus and Online via Zoom

New! 21st Century Digital Citizenry

The 21st Century Digital Citizenry credential provides learners with a comprehensive foundation in essential digital skills, combining four key areas: computing fundamentals, word processing, data management, and digital presentation. Participants will gain practical knowledge of modern technology and its professional applications, including computer hardware and software, digital communication, cybersecurity, cloud computing, and artificial intelligence. Through hands-on training in Microsoft Word, Excel, and PowerPoint, learners will build proficiency in creating documents, managing data, and designing effective presentations.

Course Fee for all four credentials: \$225
Course Fee for individual credentials:
• Digital Citizenry and Computing: \$29
• MS Word Basics: \$59
• MS Excel Basics: \$99
• MS PowerPoint Basics: \$59
Rolling Enrollment
Online

ONLINE CERTIFICATE OPPORTUNITIES

Boost your productivity and skill set with these convenient and engaging online non-credit courses from Learning Resources Network’s UGotClass® program. Participate any time on any computer to learn from expert instructors. Register for the certificate option of any course grouping and attend all courses in the group for a discounted rate. Certificate administered by UGotClass®. Registration and course deadlines same as individual courses.

Podcasting

Businesses are turning to podcasting to grow their brand and connect with customers. People with a niche hobby are turning podcasts into a business. Learn how to take your business or hobby and turn it into a podcast. This step-by-step class will take you from start to finish and cover the required elements needed to get your show online. Come to class with your idea and end with your show online for all to hear.

Course/Certificate Fee: \$245
Available Online Only: Feb. 2-27

PODCASTING CERTIFICATE

Certificate administered by UGotClass® upon completion of Podcasting course.

Keys to Customer Service

Learning to build your customer service skills will have a powerful impact on your career success, as well as success in other areas of life. Through this course, you will discover the direct relationship between service skills and career achievement.

Course Fee: \$145
Available Online Only: Feb. 2-27

Extraordinary Customer Service

Transform your customer service into something extraordinary. As a result, more repeat business will improve your bottom line. Extraordinary customer service comes from focusing on the essential elements that yield big results.

Course Fee: \$145
Available Online Only: March 2-27

CUSTOMER SERVICE CERTIFICATE

Register for the certificate option and receive a discounted rate for both Customer Service courses. Certificate administered by UGotClass®.

Certificate Fee: \$245

New Artificial Intelligence

Gain a competitive edge with artificial intelligence (AI) by mastering core concepts and practical techniques. Discover how AI can cut costs, improve efficiency, reduce errors, automate tasks, and free staff for higher-priority work. Learn to develop a workplace AI plan and strategy and leave with the knowledge and confidence to help lead your organization into this rapidly growing field.

Introduction to ChatGPT

Discover the power of AI with ChatGPT, the fastest-growing app in history. In this course, you’ll learn how AI tools boost productivity, streamline tasks, and give you a competitive edge. Whether you’re an experienced professional or just starting out, you’ll gain practical skills to harness AI and achieve your goals faster.

Course Fee: \$195
Available Online Only: Feb. 2-27

Intermediate AI

Dive deeper into the fascinating world of AI. Explore machine learning algorithms, natural language processing, and neural networks while gaining hands-on experience with popular AI frameworks and tools. Take your AI expertise to the next level!

Course Fee: \$245
Available Online Only: March 2-27

AI Planning and Strategies

Develop effective AI strategies to solve complex problems across various industries. Gain practical insights into how AI can be harnessed to enhance efficiency and drive innovation. By the end of the course, you will have the skills to create robust AI planning solutions that can adapt to dynamic environments and meet organizational goals.

Course Fee: \$194
Available Online Only: April 6-May 1

ARTIFICIAL INTELLIGENCE CERTIFICATE

Register for the certificate option and receive a discounted rate for all three AI courses. Certificate administered by UGotClass®.

Certificate Fee: \$495

ONLINE CERTIFICATE OPPORTUNITIES (CONT.)

Mastering Microsoft Excel

A must-have skill to succeed in business, whether an entrepreneur or a valued employee, is the ability to create, edit, and manage spreadsheets. Examine the life of an Excel worksheet and workbook, from creation to presentation. Learn how an Excel worksheet is constructed, populated with content and edited for delivery. Master the options that can take your Excel worksheet from plain, drab numbers to exciting and engaging multimedia.

Course Fee: \$195
Available Online Only: Feb. 2-27

Intermediate Excel

Have you ever wondered why Excel is one of the most powerful applications used today by many businesses? This course will help you increase your efficiency by learning how to organize, display, and calculate your data into useful information. Find out how you can consolidate your data proficiently into readable rows and columns using different table designs and styles. Create a unique style for yourself to improve your spreadsheet appearance to make the content easier to understand for your target audience. Discover how easily pivot tables can be created to quickly summarize large amounts of data.

Course Fee: \$195
Available Online Only: March 2-27

Introduction to Six Sigma Green Belt

This challenging introduction to Six Sigma Green Belt course teaches critical skills required for Six Sigma practitioners. This first course in the certificate program explains the basic terms and proven Six Sigma problem-solving methods, team building tools, and descriptive statistics that are the basis for the statistical tools contributing to improvement of projects and the overall success of your organization.

Course Fee: \$195
Available Online Only: Feb. 2-27

Intermediate Six Sigma Green Belt

Organizations depend on the measurement and analysis of performance to make key decisions that affect the organization. This course builds on the ideas and skills learned in the introduction to Six Sigma Green Belt course that organizations, specifically their Six Sigma teams, use to improve. You will learn process analysis, data collection and analysis, probability and valid statistical conclusions, and hypothesis testing.

Course Fee: \$195
Available Online Only: March 2-27

Advanced Excel

We are faced with different types of business decisions each day that can change the data we work with along with our financial outcomes. Advanced Excel contains tools that can help you prepare your worksheets accurately, examine your data for authentication, and find those answers to your most difficult questions. Save time for yourself by protecting your valuable data and know with assurance that the entered data is accurate without any errors. Discover how to attractively visualize your data into meaningful information with confidence.

Course Fee: \$195
Available Online Only: April 6-May 1

CERTIFICATE IN MASTERING EXCEL

Register for the certificate option and receive all three of the Excel courses for a discounted rate. Certificate administered by UGotClass®.

Certificate Fee: \$495

Advanced Six Sigma Green Belt

This final course teaches participants to improve and control processes. Topics included in this course include hypothesis-testing, design of experiments, and statistical process control. The instructor will share many handouts, spreadsheets, and web links that have tools participants will use while completing Six Sigma projects.

Course Fee: \$195
Available Online Only: April 6-May 1

SIX SIGMA GREEN BELT CERTIFICATE

Register for the certificate option and receive all three of the Six Sigma courses for a discounted rate. Certificate administered by UGotClass®.

Certificate Fee: \$495

Adobe Illustrator Essentials

Adobe Illustrator is the industry standard computer illustration software. Use Illustrator to draw shapes and design logos, flyers, posters, banners, business cards, or any other vector graphics for print or web. In this course, you will learn Adobe Illustrator fundamentals to set up a print document and use various tools to draw, type, and color all kinds of shapes and illustrations. Adobe InDesign is the industry standard page-layout program that works with Adobe Illustrator and Photoshop seamlessly. InDesign allows you to create simple to complex multi-page documents such as brochures, flyers, books, and magazines. This course is a comprehensive exploration of InDesign tools and capabilities to create professional documents. You will learn how to manage the InDesign environment and create, setup, design, enhance, and finalize multi-page documents. Access to Adobe InDesign software required.

Course Fee: \$225
Available Online Only: April 6-May 1

GRAPHIC DESIGN SOFTWARE ESSENTIALS CERTIFICATE

Register for the certificate option and receive all of the graphic design essentials courses for a discounted rate. Certificate administered by UGotClass®.

Certificate Fee: \$545

ONLINE CERTIFICATE OPPORTUNITIES (CONT.)

Introduction to Game Design

Games are increasingly recognized as a tool that can serve many business purposes beyond entertainment. This course provides a general introduction to what goes into the design and development of both video and analog games, with a particular focus on the use of games outside of consumer entertainment.

Course Fee: \$245
Available Online Only: Feb. 2-27

BASIC GAME DESIGN CERTIFICATE

Register for the certificate option and receive both of the Game Design courses for a discounted rate. Certificate administered by UGotClass®.

Certificate Fee: \$395

Intermediate Video Game Design

Mobile games are the fastest-growing segment of the market as more and more people play casual games. In this intermediate course, you will learn the basics of video game design process, learn about the main video game genres, and use a game development application to begin your journey of making games.

Course Fee: \$245
Available Online Only: March 2-27

Beginning Conversational Spanish

Designed for beginners, this course will have you speaking and reading Spanish in no time. You will practice the basic building blocks of the language and common idiomatic expressions. You will know enough vocabulary and grammar for simple conversations, and you will learn how to ask and answer questions. Whether you speak some Spanish and need a refresher, or no Spanish, you will complete the course with the skills to communicate in Spanish.

Course/Certificate Fee: \$290
Available Online Only: Feb. 2-27

BEGINNING CONVERSATIONAL SPANISH CERTIFICATE

Certificate administered by UGotClass® upon completion of Beginning Conversational Spanish course.

Introduction to Power BI

Gain insights into your data! Power BI (business intelligence) is a widely-used business analytics service offered by Microsoft. Power BI Desktop is a complete data analysis and report creation tool that you install for free. In this course, you will discover how to quickly extract, transform, and load data with just a few clicks. You will create interactive visualizations (charts, maps, KPIs) to provide you with insights into your company’s data to make informed decisions.

Course Fee: \$195
Available Online Only: Feb. 2-27

Intermediate Power BI

Delve further into Power Query to ETL (Extract, Transform and Load) your data. Build the Data Model using modeling features and relationships. Perform calculations using Data Analysis Expressions (DAX) functions. Utilize Time Intelligence functions to view YoY or YTD reports. Add user-friendly features to enhance your reports.

Course Fee: \$195
Available Online Only: March 2-27

Advanced Power BI

Expand your knowledge of Power BI Desktop to the highest level. This course focuses on the advanced capabilities of Power Query, Data Modeling, and Reports. Check for data inconsistencies, design efficient queries, create proper relationships, and write DAX code to ensure reports update quickly and accurately. Add navigation and analytical features to your reports to enable consumers to analyze the results.

Course Fee: \$195
Available Online Only: April 6-May 1

POWER BI CERTIFICATE

Register for the certificate option and receive a discounted rate for all three Power BI courses. Certificate administered by UGotClass®.

Course Fee: \$495

ONLINE CERTIFICATE OPPORTUNITIES (CONT.)

Introduction to Coding

You will be introduced to the basics of computer programing and various programing languages. New technologies allow people outside of the computer science field to be able to create their own web pages using code. Learn the basics of HTML, CSS and Java Script in this course, as well as the practical uses for each.

Course Fee: \$195
Available Online Only: Sept. 2-26

HTML Fundamentals

This course covers all the basics of HTML coding language. You will learn to build simple web pages by hand coding, using HTML tags to create paragraphs, headings, lists and links, insert images and tables, and more. We also cover creating a simple multi-page website with images, text and a navigation bar.

Course Fee: \$245
Available Online Only: Oct. 6-31

CSS Fundamentals

In this introductory course, you will learn how to style web pages using Cascading Style Sheets (CSS) coding language. Topics include using inline, internal and external CSS, web typography, formatting text, working with web colors, using Google fonts, working with id and class selectors, working with elements, creating page layouts using elements, and CSS box model.

Course Fee: \$245
Available Online Only: Nov. 3-28

CODING CERTIFICATE

Register for the certificate option and receive all coding courses at a discount. Certificate administered by UGotClass®.

Certificate Fee: \$595

Understanding Debits and Credits

In this course, you will learn about the accounting equation and the five categories involved in every business: assets, liabilities, owner’s equity, revenue and expenses. Every financial transaction falls into one or more of these categories. Learn how to create a chart of accounts that meet the needs of your business. You will learn how double entry bookkeeping works and the process of recording debits and credits. This course will show you how to identify, analyze and record transactions using journal entries under the cash basis accounting method.

Course Fee: \$195
Available Online Only: Feb. 2-27

General Ledger and Month End Procedures

In this course, you will learn how to post journal entries to the correct general ledger accounts impacted by each transaction. This course will show you how to make sure your general ledger balances at the end of each month by preparing an unadjusted trial balance. You will learn how to look for errors when you don’t balance and how to determine to correct entries. After posting correcting entries and/or adjusting entries, you will verify debits and credits equal with an adjusted trial balance. This course also goes through the steps of performing monthly bank reconciliations.

Course Fee: \$195
Available Online Only: March 2-27

Closing Procedures and Financial Statements

This course shows you how to create a worksheet used to adjust account balances and prepare financial statements. Use your financial statements to measure performance, make improvements and set goals. The final step covered in this course is closing your books and preparing them for the next accounting period; this is done by journalizing and posting closing entries.

Course Fee: \$195
Available Online Only: April 5-May 1

BOOKKEEPING CERTIFICATE

Register for the certificate option and receive a discounted rate for all three Bookkeeping courses. Certificate administered by UGotClass®.

Certificate Fee: \$495

EDUCARD

Do you want the opportunity to explore possibilities of professional growth or personal enrichment in an economical and flexible way?

If you answered “Yes,” we invite you to sit in on regular classes at SIUE through our Educard Program. Educard is a special community program that allows you to attend selected credit classes offered by SIUE. It provides an opportunity for you to sample the subjects that interest you most. Anyone who is not currently enrolled for credit in the University is eligible for Educard. High school students are eligible and may take up to three classes.

Which classes are approved for Educard participation?

For a full list of classes, please visit siue.edu/cougarnet and click “Class Registration,” followed by “Browse Course Catalog.” Select the upcoming term and search any subject you would like. Classes not offered through Educard are classes with a full enrollment, non-credit courses, travel study, distance education, classes in which a danger may exist, classes requiring prerequisites, and classes where added direct expense may be incurred by the University.

What is not included?

- You will not receive a grade as an Educard participant.
- No official records of your classwork or attendance will be kept; therefore, no transcript is available.
- Since you do not pay normal student welfare and activity fees, you may not participate in student services and activities supported by those fees.

What about textbooks?

Educard participant may borrow textbooks, as available, at no cost through Textbook Service. You may pick up your textbooks after the first week of classes, and you are required to return textbooks to Textbook Service at the end of the term.

What is the fee?

\$60 per class

Register for Educard

- Online: siue.edu/educard
- In person: Rendleman Hall, Room 1330, Monday-Friday, 8 a.m.-4:30 p.m.
- Please do not mail payment

ONLINE SERVICES AND EDUCATIONAL OUTREACH POLICIES

Cancellation/Refund Policy

All cancellation/refund requests must be made in writing and emailed to outreach@siue.edu. Cancellation/refund requests must be received at least five business days prior to the first day of any conference, course or event, unless otherwise specified. A refund, minus a \$15 administrative fee, will be processed as long as the above terms are met. If you have questions regarding this policy, please contact us at 618-650-3210 or outreach@siue.edu.

Parking on Campus

Unless otherwise specified, parking is included in the cost of courses held on weekdays on the SIUE Edwardsville campus. Parking is not included for the Lifelong Learning speaker series. A reduced price. A reduced price is available at checkout for participants who do not need parking or prefer to pay for parking on their own. Parking passes will be emailed to paid registered participants; please provide a valid license plate number to avoid paying additional parking fines. The printed pass must be displayed on the dashboard of the registered vehicle and is valid only during the times of the course. A 30-minute grace period is extended for travel to and from the meeting location.

Accommodations

The Office of Online Services and Educational Outreach is committed to providing universally accessible services and opportunities throughout our programming. If you need assistance or an accommodation, please contact our office: 618-650-3210, outreach@siue.edu or by mail (Online Services and Educational Outreach, Box 1084, Edwardsville, IL 62026) upon registration and/or at least three days prior to the offering to allow us time to accommodate your needs.
