

CEMCON, LTD.

Consulting Engineers, Land Surveyors & Planners

PROFESSIONAL ENGINEERING, STRUCTURAL ENGINEERING & LAND SURVEYING SERVICES

CEMCON, Ltd., established in 1972, is a trusted civil, environmental, and municipal consulting engineering firm. We specialize in the planning, design, construction layout, and contract administration of land development projects and both public and private infrastructure systems. As a registered professional design firm in the state of Illinois, CEMCON, Ltd. provides a comprehensive suite of services, including professional engineering, structural engineering, and land surveying.

As one of the founding partners of the Surveying and Geomatics program, we are proud to support the scholarship initiative and help students achieve their goals on the path to an exciting and rewarding career.
