

School of Engineering - Dean's Society

The vision statement at the School of Engineering at Southern Illinois University Edwardsville is to be a partnership of faculty, students, staff, alumni and other industry professionals who work together to provide the highest quality education and maintain innovative resources that support the technical growth and economic development of this region. The Dean's Society was developed to recognize donors who wish to make an investment in this vision. As a donor society within the SIUE School of Engineering, the goal of the Dean's Society is to foster giving that makes a difference in the education of our students.

What do gifts benefit?

With a gift of \$1,000 or more, you will be invited to become a member of the Dean's Society. Your generous gift will affirm your belief in the value of a quality education for current and succeeding generations of SIUE engineering students.

Gifts may be directed to the school Dean's fund to be utilized where they are most needed at the discretion of the Dean, or gifts may be restricted to a specific department, program, or project within the School of Engineering. Examples of what donations benefit are:

- ◆ Senior Design Project Awards
- ◆ Student Organization Awards
- ◆ Student Scholarships
- ◆ Engineering Competition Teams
