2025-2026 New Faculty Onboarding

All sessions will take place from 12:00-1:30pm in the CFDI (Lovejoy 2030/2040) and lunch will be provided, so please RSVP.

Fall 2025

Sept 19 — Student Support

This session spotlights key student support services at SIUE, with representatives sharing resources and strategies to help faculty connect students with academic, wellness, and success initiatives. Learn how to build bridges between your classroom and campus support structures. This session spotlights key student support services at SIUE, with representatives sharing resources and strategies to help faculty connect students with academic, wellness, and success initiatives. Learn how to build bridges between your classroom and campus support structures.

Oct 17 – Research & Teaching Support Services
Featuring SIUE Librarians Drs. Lora Del Rio and Elizabeth Kamper and CPAN Director Dr. Carrie Butts-Wilmsmeyer
Join faculty and staff from Lovejoy Library and the Center for Predictive Analytics to explore a range of research and instructional tools. Discover how data, digital resources, and library partnerships can enhance both teaching and scholarship.

Nov 14-- First Semester Teaching Challenges
Featuring SIUE Instructional Designer Sarah Laux
This session offers practical guidance for overcoming common early-career teaching challenges. From managing classroom dynamics to refining your course design, you'll gain tools to improve your first-semester experience.
