## Terms and Conditions, 2026-2027

---

### Award Details

All Provost Scholarship recipients will be held to the terms and conditions of the scholarship detailed herein. The Provost Scholarship is valid fall and spring semesters and will be continued, if renewal conditions are met, for eight semesters across four academic years. The award is a tuition waiver for full undergraduate tuition up to 19 hours per semester, including tuition differentials as charged by the Schools of Business and Engineering. The Provost Scholarship supersedes any previous SIUE merit scholarship awarded. It will be credited to the student's University account to cover tuition charges as a last dollar amount. The Provost Scholarship is applied after other tuition-targeted aid.

The Provost Scholarship may be applied at the undergraduate rate to tuition charges in the SIU School of Dental Medicine, SIUE School of Pharmacy, or SIUE Graduate School. One of the allotted eight semesters may be applied toward costs associated with an SIUE-approved study abroad program, valued at \$5,000. **Students must accept their offer of admission and register for New Student Orientation by May 1, 2026, to receive the award.**

International students selected to receive the Provost Scholarship will be responsible for the purchase of an SIUE-approved health insurance plan, as required by law. In order to obtain the appropriate visa for study in the U.S., international students must provide proof of financial resources to cover the cost of this health insurance plan, as well as all required University fees, housing costs, and living expenses.

### Provost Scholarship in Combination with Other Awards and Financial Aid

The Provost Scholarship will be applied to University tuition charges on the student's account. Provost Scholarships will be considered awards to meet financial need in the packaging of financial aid. Should the student receive other tuition-targeted aid, the Provost Scholarship will be applied last to the tuition charges. The Provost Scholarship is not refundable to the student. International students are not eligible to combine this award with any other SIUE scholarship or award.

### Academic Performance and Student Conduct

Continuance or renewal of the scholarship requires completion of full-time enrollment each semester (minimum 12 credit hours) and a 3.2 cumulative GPA. Participation in the John Martinson Honors Program is required as a Provost Scholar.

In addition to the renewal requirements for the scholarship, all Provost Scholars must also abide by the University academic policy as stated in the catalog and student handbook at [siue.edu/registrar](http://siue.edu/registrar), the Satisfactory Academic Progress Policy for financial aid and scholarship recipients at [siue.edu/financial-aid](http://siue.edu/financial-aid), and the Student Conduct Code at [siue.edu/policies](http://siue.edu/policies).

Scholarship recipients should keep address changes up to date with the University and must check SIUE email often for important announcements.
