

Provost Scholarship **Terms and Conditions, 2025-2026**

Award Details

All Provost Scholarship recipients will be held to the terms and conditions of the scholarship detailed herein. The Provost Scholarship is valid fall and spring semesters and will be continued, if renewal conditions are met, for eight semesters across four academic years. The award is a tuition waiver for full undergraduate tuition up to 19 hours per semester. The Provost Scholarship supersedes any previous SIUE merit scholarship awarded. It will be credited to the student's university account to cover tuition charges as a last dollar amount. The Provost Scholarship is applied after other tuition-targeted aid.

The Provost Scholarship may be applied at the undergraduate rate to tuition charges in the SIUE School of Dental Medicine, School of Pharmacy, or Graduate School. One of the allotted eight semesters may be applied toward costs associated with an SIUE-approved study abroad program, valued at \$5,000. **Students must pay the enrollment fee and register for New Student Orientation by June 1, 2025, in order to receive the award.**

International students selected to receive the Provost Scholarship will be responsible for the purchase of an SIUE-approved health insurance plan, as required by law. In order to obtain the appropriate visa for study in the U.S., international students must provide proof of financial resources to cover the cost of this health insurance plan, as well as all required university fees, housing costs, and living expenses.

Provost Scholarship in Combination with Other Awards & Financial Aid

The Provost Scholarship will be applied to university tuition charges on the student's account. Provost Scholarships will be considered awards to meet financial need in the packaging of financial aid. Should the student receive other tuition-targeted aid, the Provost Scholarship will be applied last to the tuition charges. The Provost Scholarship is not refundable to the student. International students are not eligible to combine this award with any other SIUE scholarship or award.

Academic Performance & Student Conduct

Continuance or renewal of the scholarship requires completion of full-time enrollment each semester (minimum 12 credit hours) and a 3.2 cumulative grade point average. Participation in the Honors Program is required as a Provost Scholar. Provost Scholars must meet the general education requirements for Honors Scholars (see University Policy 1R2) and must enroll in HONS 120 and HONS 121 in Fall 2025.

In addition to the renewal requirements for the scholarship, all Provost Scholars must also
