

Example of Screenshot of Microsoft Word Accessibility Checker with Passed Result

Screenshot Instructions:

If you are using a PC and need assistance with saving a screenshot of your passed accessibility result, please refer to the below.

1. Grab the screenshot using one of the below options:
 - Press the *Windows Key + Shift + S* at the same time to open the snipping tool. Use your mouse to select the screenshot.
 - Press the *print screen* button on your keyboard to open the snipping tool. Use your mouse to select the screenshot.
2. Open a blank Microsoft Word document, paste the image onto the page (using *Ctrl +V* or right-clicking and selecting the *paste picture* option).
3. Save the document with the image as either a Word Document or PDF to include as the supplementary file in your ProQuest submission.
