

A photograph of a university campus. In the foreground, there are out-of-focus red and yellow flowers. In the middle ground, several students are walking on a path. Two students in the center-right are walking away from the camera, with one having their arm around the other's shoulder. They are wearing backpacks. In the background, there is a large, dark, abstract sculpture of a person. A large tree is on the left, and a modern building is in the far background. The sky is bright and sunny.

Southern Illinois University is a multi-campus university comprised of two institutions, Southern Illinois University Carbondale (SIUC), with a School of Medicine at Springfield, and Southern Illinois University Edwardsville (SIUE), with a School of Dental Medicine at Alton and a center in East St. Louis. The University, with an annual operating budget averaging over \$927 million over the past three years, enrolls over 23,000 students in programs from two-year technical curricula to doctoral programs in over 40 fields including law, medicine, pharmacy, and dental medicine. SIU was chartered in 1869 as Southern Illinois Normal University, a teacher's college. In 1947, the name was changed to Southern Illinois University, reflecting the institution's academic and geographic expansion. SIU began offering off-campus academic courses in the metropolitan East St. Louis area in 1949, leading to the eventual development of a separate institution in Edwardsville.

A modern and comprehensive post-secondary educational institution, Southern Illinois University offers a broad range of academic programs that lead to associate's, baccalaureate, master's, specialist's, and doctoral (including professional practice) degrees.

The instructional, research, and service missions of the two constituent institutions reflect the needs of their respective geographic areas. The University also serves statewide, national, and international needs by offering educational activities in communities throughout the state and through research and training exchanges and world-wide student exchange programs.

A nine-member Board of Trustees, appointed by the Governor, governs Southern Illinois University and sets policy for the University in accordance with established missions and goals. In addition, per state statute, the Superintendent of Public Instruction, or his or her chief assistant for liaison with higher education when designated to serve in his or her place, serves as an ex-officio member of the board. The President of Southern Illinois University is chief executive officer, reporting to the Board of Trustees. The Chancellors of SIUE and SIUC report directly to the President and are responsible for the operation of their respective institutions.

Southern Illinois University Edwardsville traces its origin to a recommendation in 1956 by the Southwest Illinois Council for Higher Education. The Council was convinced that higher education facilities were needed in the Metro-East part of the greater St. Louis area. Council members hired consultants, whose reports documented that need, and appealed to Southern Illinois University, 100 miles south, to establish satellite campuses.

In 1957, SIU opened two “residence centers” in Alton and East St. Louis. The University expected to enroll 800 students but 1,900 applied. By 1959, the number of students had doubled to 3,800, greatly exceeding the physical facilities and demanding services faster than the University could develop and supply them.

A planning team investigated sites in the Metro-East counties and selected one just south of Edwardsville. In 1960, the Illinois legislature authorized a bond issue for construction of a new state university campus. Voter approval came in November 1960. After two and a half years of planning, University officials and area residents attended ground-breaking ceremonies for the first permanent buildings.

In the fall of 1965, Southern Illinois University Edwardsville moved onto its new campus: 2,660 acres of rolling land and woods dotted with lakes. Much of the land still retains its natural shape. The academic center was designed by the internationally known architectural firm of Hellmuth, Obata and Kassabaum of St. Louis. The brick, slate and granite of the

modern buildings complement the terrain and are softened by a carefully designed garden landscape that attracts visitors with its physical beauty. The campus has received several awards in recognition of the successful blend of the aesthetic and functional in a setting that enhances growth and development.

Today, SIUE is a major public university, offering a broad choice of degrees and programs ranging from career-oriented fields of study to traditional liberal arts. Students have an opportunity to interact with outstanding teachers and scholars, as well as with other students from all parts of the United States and the world. They enjoy excellent, modern facilities including extensive research laboratories, specialized equipment for professional preparation, and up-to-date classrooms. In addition, academic services provide tutoring, testing, academic and career counseling, and other services designed to help students meet the demands of university life. SIUE students find comprehensive educational opportunities and a community in which individuals support each other in their search for knowledge and individual development.

Students may choose to live on campus in contemporary residence halls or apartments, or live off-campus. Academic scheduling is designed to accommodate individual student needs through the availability of weekday, evening, and weekend classes in traditional, on-line and hybrid formats. In every format, SIUE students are assured quality instruction.

At SIUE, we believe that education is more than classroom learning. Campus activities present students with an ever-changing spectrum of cultural, social, service, and recreational experiences designed to complement the academic program. Theater and dance productions, musical presentations, art collections, renowned speakers and artists, and the fine swimming, biking and other recreation offered by the University's 2,660 acres make SIUE an exciting place. In addition, the campus is situated in a small and charming city with access to the resources of the metropolitan St. Louis area, located just 20 minutes away.

At SIUE more than 800 faculty members engage in instruction, research, and public service. Though each of these activities enhances students' academic opportunities, it is through instruction that students benefit most directly. Almost eighty percent of the faculty possess terminal degrees earned at universities in the United States and abroad. In 2025, faculty and staff received 153 grants and contracts totaling \$43.4 million. The University emphasizes the instructional responsibilities of the faculty.

SIUE offers a broad range of quality educational experiences at affordable tuition rates, an architecturally distinguished campus, the tranquility of small-town life, and access to the excitement of a major American city. All of these factors contribute to the quality of educational opportunities at SIUE and a fulfilling student experience.

Location

Southern Illinois University Edwardsville serves the most populous region of downstate Illinois. The campus is located in the eastern part of the metropolitan St. Louis statistical area - home to more than 2.8 million people. Most SIUE students live and work in the industrial and agricultural counties of the Metro-East where a network of interstate highways provide easy access to the University and the St. Louis region.

St. Louis, 20 minutes southwest of the campus, is one of the oldest and richest cultural centers of the country, renowned for its symphony, opera, art museums, and conservatories for the arts. It is a center for educational, medical, botanical, bio-chemical and business research. SIUE is one of four comprehensive universities among more than 20 institutions of higher education in the metropolitan area.

Because the University is part of a metropolitan area, students and faculty can experience the diversions of ethnic restaurants, retail shopping centers, touring Broadway plays and professional sports; they can also enjoy the pastoral setting of the campus and nearby state parks, small towns, and historic settlements.

University Accreditation

SIUE is accredited by the Higher Learning Commission (HLC). The University maintains accreditation through the Open Pathway with HLC.

Specialized Accreditation

In addition to overall accreditation of the University, many of its programs, departments, and schools are accredited by professional agencies, including the following:

- Accreditation Board for Engineering and Technology (ABET)
- Accreditation Council for Education in Nutrition and Dietetics (ACEND)
- Accreditation Council for Pharmacy Education (ACPE)
- Accrediting Council on Education in Journalism and Mass Communications (ACEJMC)
- American Council for Construction Education (ACCE)
- American Dental Association Commission on Dental Accreditation (CODA)
- Association to Advance Collegiate Schools of Business-International (AACSB)
- Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM)
- Commission on Accreditation of Allied Health Education Programs (CAAHEP)
- Commission on Collegiate Nursing Education (CCNE)
- Council for the Accreditation of Educator Preparation (CAEP)
- Council on Academic Accreditation in Audiology and Speech-Language Pathology (CAA) of the American Speech-Language-Hearing Association (ASHA)
- Council on Accreditation of Nurse Anesthesia Educational Programs (CANAEAP)

Council on Education for Public Health (CEPH)
Council on Social Work Education (CSWE)
National Association of School Psychologists (NASP)
National Association of Schools of Art and Design (NASAD)
National Association of Schools of Music (NASM)
Network of Schools of Public Policy, Affairs, and Administration (NASPAA)
National Association of Schools of Theatre (NAST)

In addition, the American Chemical Society, and the American Art Therapy Association have formally reviewed and approved SIUE's programs as meeting their standards.

Illinois Board of Higher Education Focus Statement for Southern Illinois University Edwardsville

Southern Illinois University Edwardsville serves traditional college-aged undergraduate students, with many commuting from the surrounding areas, as well as older, part-time, and minoritized students. The campus offers a balance of instruction, research, and public service programs consonant with its role as the only public university in southwestern Illinois. Southern Illinois University Edwardsville also administers the School of Dental Medicine at Alton and operates centers in East St. Louis and Belleville. In addition to pursuing statewide goals and priorities, Southern Illinois University Edwardsville:

- offers undergraduate programs and masters' programs encompassing instruction in arts and sciences, education, social services, business, engineering, and the health professions in order to improve the quality of life, economy, health care, and environment in the greater St. Louis metropolitan area;
- emphasizes graduate-level programs that prepare practitioners and professionals in those fields that are particularly relevant to addressing the social, economic, and health-care needs of the region;
- focuses off-campus programs in southwestern Illinois, except in fields such as nursing in which the University is distinctly positioned to offer off-campus completion programs for the central and southern Illinois areas; addresses the need for dentists in the central and southern

regions of the state through its School of Dental Medicine and addresses the need for pharmacists in the central and southern regions of the state through its School of Pharmacy.

University Mission (adopted 2013)

Southern Illinois University Edwardsville is a student-centered educational community dedicated to communicating, expanding and integrating knowledge. In a spirit of collaboration enriched by diverse ideas, our comprehensive and unique array of undergraduate and graduate programs develops professionals, scholars and leaders who shape a changing world.

University Vision (adopted 2013)

Southern Illinois University Edwardsville will achieve greater national and global recognition and academic prominence through innovative and interdisciplinary programs that empower individuals to achieve their full potential.

University Values (adopted 2013)

Civic Engagement

- Social, civic, and political responsibility--globally, nationally, locally, and within the University
- Active partnerships and a climate of collaboration and cooperation among students, faculty, staff, alumni and the larger community
- Sustainable practices in environmental, financial and social endeavors

Excellence

- High quality learning within and beyond the classroom
- Continuous improvement and innovation
- Outstanding scholarship and public service

Inclusion

- A welcoming and supportive environment
- Openness to the rich diversity of humankind in all aspects of university life

(continued on next page)

Inclusion (continued)

- Respect for individuals, differences, and cultures
- Intellectual freedom and diversity of thought

Integrity

- Accountability to those we serve and from whom we receive support
- Honesty in our communications and in our actions

Wisdom

- Creation, preservation, and sharing of knowledge
- Application of knowledge in a manner that promotes the common good
- Life-long learning

University Statement on Diversity (adopted 2013)

All societies and peoples have contributed to the rich mix of contemporary humanity. In order to achieve domestic and international peace, social justice and the development of full human potential, we must build on this diversity and inclusion.

- Southern Illinois University Edwardsville nurtures an open, respectful, and welcoming climate that facilitates learning and work. Each member of the University is responsible for contributing to such a campus environment.
- Southern Illinois University Edwardsville is committed to education that explores the historic significance of diversity in order to understand the present and to better enable our community to engage the future.
- Integral to this commitment, Southern Illinois University Edwardsville strives for a student body and a workforce that is both diverse and inclusive.

The SIUE Strategic Plan (effective 2022)

In early 2019, a new strategic planning committee was formed to help SIUE define its future and build on successes. In 2020, the COVID-19 pandemic required immediate and extensive attention, presenting unforeseen challenges that temporarily slowed progress. SIUE's strategic planning resumed in 2021, and a revised plan went into effect in September 2022. The plan will be valid until 2027.

Our bold and intentional steps will center on the following pillars and strategic goals:

Access and Opportunity

SIUE will increase enrollment of prepared and diverse students to 14,500, ensuring strategic growth that reflects SIUE's commitment to inclusive excellence, our values and goals.

Student Success and Inclusive Excellence

SIUE will be a national leader among peers. The University will fulfill its promise to support student success at all levels by reaching 90% retention, a four-year graduation rate of 45% and a six-year graduation rate of 75%, while ensuring that equity gaps are closed. Additionally, SIUE will achieve Carnegie Classification for Social and Economic Mobility.

Excellent and Diverse Faculty and Staff

SIUE will strive to recruit, retain, and support the advancement of the most diverse faculty among Illinois public higher education institutions.

Change Agent

SIUE will be a national model for equity-minded community engagement. We will expand the number of faculty, staff and students participating in meaningful and collaborative partnerships with communities. Building on our strengths, SIUE will develop and nurture strategic relationships to effect positive change in the University, region, nation, and world.

Sustainability

SIUE will diversify its revenue streams by increasing net tuition revenue by 9% and creating new opportunities to cover 10% of operational costs with philanthropic giving and other new revenue sources. These changes will promote long-term financial well-being as SIUE budgets are realigned to ensure excellence.

Additional information about the SIUE Strategic Plan can be found at <https://www.siue.edu/about/mission-goals-plans/strategic-plan.shtml>

Student Summary

Southern Illinois University Edwardsville serves over 12,000 students from 98 of 102 Illinois counties, 45 other U.S. states or possessions, and 75 nations. The University provides on-campus housing for 3,030 students in either residence hall or apartment style housing. Most other on-ground students live and work in communities within a 60-mile radius of campus.

Counts — Student enrollment at SIUE has averaged around 12,500 over the last five years. Undergraduates comprise 75.7 percent of the student body (five year average); the remainder are graduate and professional students.

New Students — During the fall 2025 term, 30 percent of undergraduates were new to the University; 19 percent of undergraduates were new, first-time first-year students; 12 percent were new transfer students. Because of the robust transfer rate to SIUE, seniors outnumber the other classes with first-year students as the next largest class, and sophomores as the smallest class.

New First Year — New first-time first-year students are typically in the upper third of their high school class, with 18 percent ranked in the upper ten percent. Over two-thirds of new freshmen begin their SIUE experience living on campus in a residence hall.

Persistence — Typically, approximately 73 percent of the students who begin college as first-year students at SIUE return for their second year, and approximately 55 percent, using a four year average, will graduate from SIUE within six years. Another 11 percent will transfer to another institution and graduate, while 10 percent will still be enrolled at SIUE or other colleges (entering class 2018 – student achievement measure).

Graduation — Of the students who receive undergraduate degrees from SIUE, an average of seventy-three percent of

those who matriculated as new first-year students completed their degrees in four to five years. Transfer students – those who began their college studies at another institution – accounted for 38 to 44 percent of graduates during the most recent five years. Transfer students enter at all class levels and average three years to degree.

Notes: SAT ranges are from the CollegeBoard ACT/SAT 2018 Concordance tables.

The state of Illinois subsidizes a single College entrance exam per year for all juniors. The state subsidized the ACT prior to 2018, the SAT from 2018-2024, and the ACT from 2025 forward. These tables display the best test for each student, either ACT or SAT, and the corresponding means.

Italicized numbers are preliminary and will be adjusted when degree awards through Summer 2026 are added.

NOTES: · "N" indicates the number of new, full-time transfer students who matriculated in the summer or fall and were enrolled in the fall term, less IPEDS-allowed exclusions.
 · Bold "N" indicates change was made per IPEDS-allowed exclusions.
 · These statistics include students who enroll and graduate in the Pharm.D. program without first obtaining a Bachelor's degree.

Program and Instruction Summary

SIUE offers programs that meet the needs of the metropolitan area it serves, awarding degrees in 46 undergraduate programs and 81 graduate and professional practice programs. In addition, students may enroll in 65 undergraduate minors and complete the requirements for teacher certification. Programs are offered through seven academic units: the College of Arts and Sciences and the Schools of Business; Dental Medicine; Education, Health and Human Behavior; Engineering; Nursing; and Pharmacy.

Teaching — The University makes teaching a top priority. Faculty must demonstrate meritorious performance in teaching to be granted tenure and promotion. Scholarship and service serve as a foundation for exemplary teaching. Over eighty percent of the student credit hours at SIUE are taught by full-time faculty, 42 percent by faculty who are tenured or on tenure track. Graduate assistants teach 3 percent of the credit hours.

Learning Results — SIUE, as part of its program assessment process, routinely reviews data gathered from surveys of new first-year students, seniors, and alumni. New first-year students and graduating seniors report that they often engage in effective learning practices such as working with classmates to prepare assignments, asking questions in class, and contributing to class discussions (see page 78). SIUE's student learning results are generally similar to results at other universities (see pages 78 and 79).

Student Learning: Benchmarks of Effective Educational Practice

"Since the inception of the survey, nearly 1,700 bachelor's-granting colleges and universities in the United States and Canada have used it to measure the extent to which students engage in effective educational practices that are empirically linked with learning, personal development, and other desired outcomes such as persistence, satisfaction, and graduation." Faculty and Staff Summary

The University has nearly 2,300 employees in faculty, administration, professional staff, and civil service positions. In addition, 451 graduate students provide services as graduate assistants. The number of employees has varied little over the last several years. The proportion of full-time employees has consistently remained near 85%.

Funding — Sixty-five percent of SIUE's full-time personnel are funded from state appropriations and income funds, as are eighty-four percent of part-time employees and sixty-four percent of graduate assistants (see page 85). The remaining personnel are funded by non-appropriated sources such as grants and self-supporting activities.

Diversity — The faculty and staff of SIUE reflect the diversity of the region (see pages 86-87).

Faculty — The full-time instructional faculty of the University (see page 90 for a definition) decreased slightly in fall 2025. The number of part-time faculty increased by 9.7 percent in fall 2025, continuing a fluctuating pattern prevalent for the past ten years.

During the last decade (2015-2025) the demographics of SIUE's full-time instructional faculty have changed. Thirty-eight percent of the

current tenured or tenure track faculty has been hired since fall 2015. The proportion of women faculty have remained steady since fall 2019. The percent of faculty tenured or on tenure track has fluctuated minimally for years, with a five-year average of 66.7 percent.

SIUE has 74 percent of full-time instructional faculty with doctoral

degrees, including Doctor's Professional Practice.

Current average annual faculty salaries range from \$102,529 for full professors to \$54,029 for instructors (see page 102). Growth of faculty salaries has been limited by constrained state

budgets, but salaries have risen in recent years due to negotiations and institutional commitment. Retirements, paired with new hiring at the entry level, have also contributed to lower growth in average salaries.

Student Workers — In addition to the faculty and staff, the University offered employment opportunities for over 1,200 students in fall 2025. These positions provide experience in many areas, including clerical, technical, professional, service, and sales.

NOTES: Starting in Fall 2017, the AAUP Full-time instructional Faculty definition was changed. The SIUE Full-time Instructional Faculty definition used in Fall 2017 conforms to prior years' definition.

For fall 2016, the decrease in Civil Service (Neg. & Prev) positions and the increase in Administrative Title Only positions is primarily due to the reclassification of multiple positions.

Full-Time Instructional Faculty is defined as those members of the instructional/research staff who are employed full-time and whose regular assignment is instruction, including those with released time for research. Department heads with faculty rank and no other administrative title are included in this category. Administrative officers with titles such as Dean, Librarian, Coach, Registrar, etc., even though they may devote part of their time to classroom teaching are not included. (AAUP definition)

Although AAUP excludes School of Dental Medicine clinical faculty, SIUE continues to include them as full-time instructional faculty.

Age

Rank

* 79% of Full-Time Instructional Faculty have the appropriate terminal degree for their discipline
