A SAFE AND WELCOMING CAMPUS AND COMMUNITY. SIUE OFFERS MANY WAYS TO MAKE YOUR EDUCATION AFFORDABLE!

In-state tuition with the GEO+ Award!

- Once you have successfully completed 24 credit hours of coursework at SIUE, you are eligible for SIUE's **in-state tuition** rate for the remainder of your undergraduate academic program! This results in substantial savings for you through to graduation.

Options for summer classes

- Work with your academic advisor to register for summer classes at SWIC, STLCC and Lewis and Clark Community College. You'll save money and your credits will transfer to SIUE and count toward your bachelor's degree.
