Reputable Resources: Stay Informed!

Finding accurate
information is always
important, and even more
so during the tumultuous
time we are facing today.
Here are a few links for
reputable online resources
for the most accurate and
up-to-date information
on the coronavirus and
COVID-19.

announcements/
coronavirus/](http://siue.edu/about/announcements/coronavirus/)

Facebook: Let's Stay Connected!

We've continued to provide tips, crafts, activities, tours, and stories to our Facebook community throughout this unprecedented closure. Make sure you like us on Facebook and check back often so you don't miss out on any of the awesome posts keeping us connected with you!

Here are just a few items we've recently featured on Facebook!

Masks: The CDC recommends people wear homemade cloth face masks when in public places such as grocery stores and pharmacies. We've posted a few different ways sewers and non-sewers alike can make their own face masks. Try them out, keep yourselves safe!

Giveaway: We had several sets of Winnie the Pooh 18 piece memory games to give away. We hope all who were interested got one. Let us know if you're still interested!

Crafts: Mail a hug! Finger paint your windows!

At-home experiments: Did you know you could regrow vegetables from their stalks? Did you know cabbage and food coloring do the most interesting thing? Did you know you could start a garden in rotisserie chicken containers? I didn't either!

Books! Our Director Rebecca Harper has continued to provide amazing children's storytime. In addition, there have been some guest videos and links to experts and celebrities (like Reading Rainbow's LeVar Burton!) providing livestreamed storytimes to fans. There are also some great quarantine read suggestions.

Learn about pretty much anything virtually: Tour museums in Korea, the tomb of Ramesses the 6th, take wine tasting classes from home, visit the Taj Mahal, use Google Maps to tour Route 66, take a virtual sign language class, etc. etc. etc.!

Coaching

A big THANK YOU to the
SIUE East St. Louis Campus essential workers!

Not only are the SIUE Police Officers and maintenance staff holding down the fort while we Shelter in Place, but they have gone above and beyond by keeping the largest of our resident Learning Resource Center plants watered and alive while we are away. The LRC staff, and our plants, appreciate you!

Please note: all of the smaller plants have taken a field trip to Library Director Rebecca Harper's house!

Many companies are still hiring during the current pandemic. You can find a few below:
