Chair Ryan Fries presided over the monthly Parking and Traffic Committee Meeting on Friday, June 14, 2024, at 10:00 a.m. in person and via Zoom. Minutes from the May 10, 2024 meeting, were presented. A Motion was made by Cindy Cobetto to approve the Minutes and seconded by Michelle Shatto. No objections. Minutes stand approved.

COMMITTEES

- A. Appeals Committee: No Appeals.
- B. Policy Committee: No report.
- C. Senate Reports:
 - 1. Faculty Senate: No report.
 - 2. Staff Senate: No report.
 - 3. Student Senate: No report.

CORRESPONDENCE

There was no correspondence received.

OLD BUSINESS

- A. Initiatives Assigned to Facilities Management:

There were no initiatives assigned to Facilities Management.

- B. Motorist Assistance, Citation, Towing Monthly Report, and Moving Violation Statistics, and EV Charging Data: Mike Hamil reported the numbers are running close to the last month's report.

C. Summer Construction Plans: Mike Hamil reported the sealing of the parking lots is moving along faster than expected. In most lots we are using asphalt rather than cold tar which dries faster almost cutting a month off the schedule. Mike also provided a handout on the Parking Lot Sealing Schedule which is dependent upon the weather. The E Today has also been providing notice of the schedule on Mondays and Thursdays directing people to Parking's Website.

Mike and Tony are working with Event Services, and anyone having any events on campus this summer to try to avoid any conflicts. So far things have been working out well. The Wyvetter H. Younge East St. Louis Campus will begin on July 19th.

Mike also added that Lot C will be re-landscaped beginning this coming Saturday.

Craig added that North Circle Drive and University Drive is being widened due to trucks jumping the curb. A concrete apron will be added with mountable curbing. He also stated that we will be seeing multiple concrete trucks next week on Research Drive bringing 500 yards of cement to the Health Science Building construction site. They will enter the construction site and circle through the area and back out onto Research Dr. Mike added that beginning on June 24th, they will need to cut through Lot 9 as sealing to the other lot will be happening.

Craig stated that sidewalk repair will begin on the south of the MUC to improve that area.

NEW BUSINESS

No new business to discuss.

ANNOUNCEMENTS

Bob Vanzo announced that SIUE will be hosting the Solar Car Challenge on July 21 and 22, 2024. There will be 15-20 Universities participating in the Circuit which covers 7 states. We are currently working on arrangements to host and accommodate the students in attendance.

ADJOURNMENT

A Motion to Adjourn was made by Mallory Sidarous. Cindy Cobetto seconded the Motion. Hearing no objections, the meeting was adjourned at 10:25 a.m. The next meeting will be on Friday, July 12, 2024, at 10:00 a.m. in the Magnolia Room at the Morris University Center and on Zoom.
