EXERCISE SCIENCE**

Completion of an Associate in Arts or Science degree at Kaskaskia College fulfills SIUE’s general education requirements, with the exception of an Interdisciplinary Studies course that all students must take during their junior and senior year at SIUE.

This “Transfer Program Guide” is an **example** of proposed curriculum for students to use while completing their associate’s degree. Reading, writing and math placement could alter the course sequencing and transfer date. Therefore students should begin sequencing their reading/writing (if applicable) and math & science courses during the first semester, paying close attention to prerequisites. Students have the option of taking summer classes to lessen fall and spring course loads.

It is highly recommended that students meet with a KC advisor each semester. Please see “**Important Student Notes**” located on page of two of this transfer guide.

IMPORTANT STUDENT NOTES

The preceding information is provided to assist students in the transfer process. In no way does this document substitute for meeting with an academic advisor. Students are advised to meet on a regular basis with advisors at KC. Courses taken through dual credit can be applied to required SIUE coursework; please contact KC advisor for more information. Please consult Kaskaskia College catalog for additional graduation requirements.

Students are required to complete a Bachelor of Science degree. A Bachelor of Science degree will require completion of 8 courses in life, physical, or social science, in addition to 2 courses with a lab component (all of which will be met with the completion of the Associate in Arts.)

DECLARATION REQUIREMENTS FOR EXERCISE SCIENCE

- An overall GPA of 2.75 or higher
- Grades of "C" or higher in BIOL 101 or 125 and CHEM 103 or 111
- Grade of "B" or higher in KIN 275 (SIUE course)
