

**SOUTHERN ILLINOIS UNIVERSITY  
EDWARDSVILLE**

**Lewis and Clark Community College  
Associate of Arts Philosophy**

Completion of an Associate in Arts or Science degree at Lewis and Clark Community College fulfills SIUE's general education requirements with the exception of an Interdisciplinary Studies course that all students must take during their junior or senior year at SIUE.

This "Transfer Program Guide" is an **example** of proposed curriculum for students to use while completing their associate's degree. Reading, writing, and math placement could alter the course sequencing and transfer date. Therefore, students should begin sequencing their reading/writing (if applicable) and math & science courses during the first semester, paying particular attention to prerequisites. Students have the option of taking summer classes to lessen fall and spring course loads.

It is highly recommended that students meet with a Lewis and Clark advisor; for additional information please contact the SIUE coordinator for advising and partnership programs in Reid Hall 1201. Please see "**Important Student Notes**" located on page two of this transfer guide.

A minor is required for students who major in Philosophy. Options for a double major, double minor, or a single minor are available. Courses taken at LCCC to meet LCCC's general education requirements (including electives) can be used for the minor(s) or additional major. Students should begin planning early for any of these options.

Students who plan on pursuing a Bachelor of ARTS degree should consider using a foreign language for their electives. Two semesters of the same foreign language will be required for the Bachelor of ARTS degree at SIUE.

Students must complete 50% or more of the degree requirements at SIUE.
