¹Students must complete one course in Human Relations to meet SWIC graduation requirements.

*Students must complete 50% or more of degree requirements at SIUE.

*A course that satisfies both the ERGU and EREG requirement will only be counted as one and not both.

Although a minor is not required for students who major in Philosophy, it is strongly recommended that students consider one. Options for a double major, double minor, or single minor are available. Courses taken at SWIC to meet SWIC's general education requirements (including electives) can be used for the minor(s) or additional major. Students should begin planning early for any of these options.

¹Two semesters of the same Foreign Language are required for the Bachelor of Arts degree. Students wishing to complete the Bachelor of Science will need to complete 2-3 additional courses in Social, Life or Physical Science in lieu of FL.
