Are you willing to work with students from outside of your discipline? If yes, which other disciplines?

Yes

How many hours per week will your student(s) be required to work in this position?

(Minimum is 6 hours per week; typical is 9)

6 to 8

Will it be possible for your student(s) to earn course credit?

Location of research/creative activities:

SIUE main campus (various locations around the main campus)

Brief description of the nature of the research/creative activity?

This research project seeks to better understand and describe sexual violence experiences and perpetration on SIUE campus. The project is longitudinal in nature and this is the third cycle of data collection for the project. It consists of in person and online data collection efforts.

Brief description of student responsibilities?

In person data collection that is scheduled with the instructor of selected courses (students will be trained and provided support in data collection)

Online, synchronous data collection for online classes (scheduled with the instructor of the course)

Data entry into SPSS and other data management activities

Creation of data collection packets

Working with team on scheduling data collection

URCA Assistant positions are designed to provide students with *research or creative activities* experience. As such, there should be measurable, appropriate outcome goals. What exactly should your student(s) have learned by the end of this experience?

Data collection skills, including data management, scheduling, working with diverse student populations, informed consent procedures, creation and utilization of various data collection and informed consent instruments, hands on data collection activities

Data entry skills

Requirements of Students

If the position(s) require students to be available at certain times each week (as opposed to them being able to set their own hours) please indicate all required days and times:

Flexible hours, but will require on campus activities

If the location of the research/creative activities involves off campus work, must students provide their own transportation?

No off campus activities

Must students have taken any prerequisite classes? Please list classes and preferred grades:

None

Other requirements or notes to applicants:

None
