	This mentor's project is interdisciplinary in nature.	I

Are you willing to work with students from outside of your discipline? If yes, which other disciplines?

Yes

How many hours per week will your student(s) be required to work in this position?

(Minimum is 6 hours per week; typical is 9)

9

Will it be possible for your student(s) to earn course credit?

Location of research/creative activities:

Online

Brief description of the nature of the research/creative activity?

The first project will explore health behaviors in children during and after the COVID-19 pandemic. Objectives include examining which of the child's health behaviors were most impacted by the pandemic, whether the child has returned to pre-pandemic diet and activity levels, and additional projects such as analysis of proper coding and counseling by pediatric health providers.

A second project will explore the impact on water filters on malnutrition in children in Guatemala.

Brief description of student responsibilities?

Project 1: Student will help prepare presentations and manuscripts detailing the findings

Project 2: Student will help collect and analyze data, collect and write literature review

URCA Assistant positions are designed to provide students with *research or creative activities* experience. As such, there should be measurable, appropriate outcome goals. What exactly should your student(s) have learned by the end of this experience?

Students will obtain experience with the research process, electronic health records, data management (Microsoft Excel, Zotero), presenting at conferences, writing of manuscripts.

Requirements of Students

If the position(s) require students to be available at certain times each week (as opposed to them being able to set their own hours) please indicate all required days and times:

N/A. Online only

If the location of the research/creative activities involves off campus work, must students provide their own transportation?

N/A. Online only

Must students have taken any prerequisite classes? Please list classes and preferred grades:

None

Other requirements or notes to applicants:
