1 Unfunded URCA Assistant(s)

Are you willing to work with students from outside of your discipline? If yes, which other disciplines?

- No

How many hours per week will your student(s) be required to work in this position?
(Minimum is 6 hours per week; typical is 9)

- 9

Will it be possible for your student(s) to earn course credit?

- Yes, in PSYC 491 for 3 credit hours.

Location of research/creative activities:

- Alumni Hall and Madison County Juvenile Detention Center

Brief description of the nature of the research/creative activity?

- Supervising other undergraduate students administering the group therapy program to juvenile detainees as well as running participants and supervising literature reviews.

Brief description of student responsibilities?

- Supervising other undergraduate students administering the group therapy program to juvenile detainees as well as running participants and supervising literature reviews.

URCA Assistant positions are designed to provide students with *research or creative activities* experience. As such, there should be measurable, appropriate outcome goals. What exactly should your student(s) have learned by the end of this experience?

- Supervising other undergraduate students administering the group therapy program to juvenile detainees as well as running participants and supervising literature reviews.

Requirements of Students

If the position(s) require students to be available at certain times each week (as opposed to them being able to set their own hours) please indicate all required days and times:

- 3-4 pm either MWF or TR at juvenile detention center

If the location of the research/creative activities involves off campus work, must students provide their own transportation?

- Yes, transport themselves to juvenile detention in Edwardsville

Must students have taken any prerequisite classes? Please list classes and preferred grades:

- Previous experience in my research lab

Other requirements or notes to applicants:
