### **1 Funded, 1 Unfunded URCA Assistant(s)**

**Are you willing to work with students from outside of your discipline? If yes, which other disciplines?**

- Yes

**How many hours per week will your student(s) be required to work in this position?**  
(Minimum is 6 hours per week; typical is 9)

- 8-9

**Will it be possible for your student(s) to earn course credit?**

- No

**Location of research/creative activities:**

- My campus office, and sometimes on Teams

**Brief description of the nature of the research/creative activity?**

- One of the research projects that I am currently working on is a qualitative study of 1st time postpartum individuals and their experiences with breastfeeding.
- I am also in the planning stages of a mixed methods study that will explore undergraduate students and their thoughts and experiences with the SIUE nursing curriculum changing to a competency based program and allowing students to no longer be required to do weekly clinical paperwork once they have met competency.

**Brief description of student responsibilities?**

- Analyzing qualitative and quantitative data
- Data collection

- Writing results
- Creating professional posters for presentations to disseminate the findings

**URCA Assistant positions are designed to provide students with *research or creative activities* experience. As such, there should be measurable, appropriate outcome goals. What exactly should your student(s) have learned by the end of this experience?**

- Collaborate with members of a research team
- Analyze data
- Writing results
- Create professional poster(s) for conference presentations

### **Requirements of Students**

**If the position(s) require students to be available at certain times each week (as opposed to them being able to set their own hours) please indicate all required days and times:**

- I do not have my fall schedule yet, but Monday, Tuesday, and Wednesday mornings or afternoons generally work well for me.

**If the location of the research/creative activities involves off campus work, must students provide their own transportation?**

- There will be no off-campus work.

**Must students have taken any prerequisite classes? Please list classes and preferred grades:**

- I prefer that my URCA student has taken and passed statistics and a research class.

**Other requirements or notes to applicants:**

- N/A
