### **1 Unfunded URCA Assistant(s)**

**Are you willing to work with students from outside of your discipline? If yes, which other disciplines?**

- No

**How many hours per week will your student(s) be required to work in this position?**  
(Minimum is 6 hours per week; typical is 9)

- 6 to 9

**Will it be possible for your student(s) to earn course credit?**

- No

**Location of research/creative activities:**

- Hybrid- on campus and online.

**Brief description of the nature of the research/creative activity?**

- I am currently working on a human trafficking simulation longitudinal study to educate undergraduate students about human trafficking and exploring the outcomes of this education long-term. This study is also being expanded to registered nurses at a local hospital.
- I am also working on evaluation of outcomes of a 6 state online regional program and looking at pre and post data regarding preceptor and clinical faculty skills.

**Brief description of student responsibilities?**

- The URCA Assistant will also be responsible for entering data and summarizing results. The student will also be doing literature searches to find articles related to the topics being studied.
- The student will also be able to participate in manuscript writing for article publication in a nursing journal and conference presentation writing.

**URCA Assistant positions are designed to provide students with *research or creative activities* experience. As such, there should be measurable, appropriate outcome goals. What exactly should your student(s) have learned by the end of this experience?**

- Expand on research strategies and knowledge. Gain information related to research that will be helpful for their senior assignment and in their future career as a nurse.

### **Requirements of Students**

**If the position(s) require students to be available at certain times each week (as opposed to them being able to set their own hours) please indicate all required days and times:**

- The times will be scheduled weekly based on the student and faculty schedule.

**If the location of the research/creative activities involves off campus work, must students provide their own transportation?**

- Yes, but may not be applicable as the work will primarily be on campus and online.

**Must students have taken any prerequisite classes? Please list classes and preferred grades:**

- N/A

**Other requirements or notes to applicants:**

- N/A
