1 Funded, 1 Unfunded URCA Assistant(s)

Are you willing to work with students from outside of your discipline? If yes, which other disciplines?

- Yes

How many hours per week will your student(s) be required to work in this position?
(Minimum is 6 hours per week; typical is 9)

- 6

Will it be possible for your student(s) to earn course credit?

- No

Location of research/creative activities:

- On or off campus (electronic)

Brief description of the nature of the research/creative activity?

- This is part of an on-going project researching a set of musical symbols in a ninth-century manuscript. You will be engaging in bibliographic research, locating items related to the topic.

Brief description of student responsibilities?

- Your responsibility will be to progress through the assigned bibliographic tasks, and check in with me and team members on a regular basis. You will be compiling a document of your bibliographic findings.

URCA Assistant positions are designed to provide students with *research or creative activities* experience. As such, there should be measurable, appropriate outcome goals. What exactly should your student(s) have learned by the end of this experience?

- Upon completing the project, you should have a solid understanding of bibliographic investigations, and proper formatting of bibliographic citations.

Requirements of Students

If the position(s) require students to be available at certain times each week (as opposed to them being able to set their own hours) please indicate all required days and times:

- N/A

If the location of the research/creative activities involves off campus work, must students provide their own transportation?

- N/A

Must students have taken any prerequisite classes? Please list classes and preferred grades:

- No

Other requirements or notes to applicants:

- Multi-lingualism a plus
