	This project deals with human health and wellness issues.	+
	This project deals with community outreach.	👉
	This mentor's project is interdisciplinary in nature.	I

Are you willing to work with students from outside of your discipline? If yes, which other disciplines?

No

How many hours per week will your student(s) be required to work in this position?
(Minimum is 6 hours per week; typical is 9)

8

Will it be possible for your student(s) to earn course credit?

No

Location of research/creative activities:

SIUE Sculpture Studio, Art & Design East, Room 1244

Brief description of the nature of the research/creative activity?

The student will assist in the creation of cast bronze and aluminum sculptures using a variety of processes including: clay, plaster and wax modeling; plaster and rubber mold making; 3-D printing; wax chasing; investment; bronze casting/chasing, welding and finishes.

Brief description of student responsibilities?

The student will be working closely with me in the development of various sculptures and will be involved in all stages of this creative/research process (from the origination of ideas to research, composition development, modeling and completing the sculpture). They will work directly on my sculptures, and this will include 3-D printing, welding, chasing, investing and casting.

URCA Assistant positions are designed to provide students with *research or creative activities* experience. As such, there should be measurable, appropriate outcome goals. What exactly should your student(s) have learned by the end of this experience?

Yes

Requirements of Students

If the position(s) require students to be available at certain times each week (as opposed to them being able to set their own hours) please indicate all required days and times:

If the position(s) require students to be available at certain times each week (as opposed to them being

If the location of the research/creative activities involves off campus work, must students provide their own transportation?

n/a

Must students have taken any prerequisite classes? Please list classes and preferred grades:

B or higher in the following classes: Art 112D, Art 202A (can be currently enrolled in 202A)

Other requirements or notes to applicants:

no
