|   | This project deals with social justice issues.                                              |    |
|   | This project deals with sustainability (green) issues.                                      |    |
| ✓ | This project deals with human health and wellness issues.                                   |  |
|   | This project deals with community outreach.                                                 |  |
|   | This mentor's project is interdisciplinary in nature.                                       | <b>I</b>                                                                              |

**Are you willing to work with students from outside of your discipline? If yes, which other disciplines?**

Yes

**How many hours per week will your student(s) be required to work in this position?**  
(Minimum is 6 hours per week; typical is 9)

8

**Will it be possible for your student(s) to earn course credit?**

No

**Location of research/creative activities:**

**Brief description of the nature of the research/creative activity?**

**Continuation of research into student well-being and academic outcomes as related to classroom psychological safety. Following a cross-sectional study in Fall of 2025, research will continue into faculty and student behaviors that contribute to a sense of psychological safety and their impact on student well-being and academic outcomes.**

**Brief description of student responsibilities?**

Students will be responsible for collaborating to conduct literature reviews, determining research study design, surveys/data collection methods, participant recruitment, data analysis, and writing study findings for manuscripts or presentations. Students will assist with IRB approvals processes, as well as work with other Universities in multi-site research.

**URCA Assistant positions are designed to provide students with *research or creative activities* experience. As such, there should be measurable, appropriate outcome goals. What exactly should your student(s) have learned by the end of this experience?**

**Yes**

**Requirements of Students**

**If the position(s) require students to be available at certain times each week (as opposed to them being able to set their own hours) please indicate all required days and times:**

n/a

**If the location of the research/creative activities involves off campus work, must students provide their own transportation?**

No

**Must students have taken any prerequisite classes? Please list classes and preferred grades:**

No

**Other requirements or notes to applicants:**

n/a
