1 Funded, Unfunded URCA Assistant

	This position is ONLY open to students who have declared a major in this discipline.	M
	This project deals with social justice issues.	
	This project deals with sustainability (green) issues.	
	This project deals with human health and wellness issues.	
	This project deals with community outreach.	
	This mentor's project is interdisciplinary in nature.	I

Are you willing to work with students from outside of your discipline? If yes, which other disciplines?

No

How many hours per week will your student(s) be required to work in this position?
(Minimum is 6 hours per week; typical is 9)

We will be working 9 hours.

Will it be possible for your student(s) to earn course credit?

No

Location of research/creative activities:

Dunham Hall, Dunham Theater and the Metcalf Theater

Brief description of the nature of the research/creative activity?

I am looking to have a student Assistant Choreographer for the Theatre and Dance Department's production of Little shop of Horrors.

Brief description of student responsibilities?

Student will assist with choreography, cast warmups, and cleaning and precision of completed routines.

URCA Assistant positions are designed to provide students with *research or creative activities* experience. As such, there should be measurable, appropriate outcome goals. What exactly should your student(s) have learned by the end of this experience?

Yes

Requirements of Students

If the position(s) require students to be available at certain times each week (as opposed to them being able to set their own hours) please indicate all required days and times:

There is some flexibility in scheduling, student will need to be available for two-hour chunks minimum per week. This can be arranged upon selection.

If the location of the research/creative activities involves off campus work, must students provide their own transportation?

Will not require of site locations.

Must students have taken any prerequisite classes? Please list classes and preferred grades:

No pre-requisites required.

Other requirements or notes to applicants:

Student must be willing to learn, collaborate and communicate across disciplines and levels of expertise.
